Landscaping

A Pre-Proposal Meeting was held October 8, 2019 at the site. The following companies were represented at the meeting:

Coast 2 Coast Lawns	Thomas Daniels
GB Lawn Care	Gregory Brown
Coastal Services	Will Smith
Low Country Sod	Seth Braswell
US Lawns	Greg Smith/Steve Andrews

The following is clarification on maintenance items including, but not limited to:

1. Mowing biweekly
2. Trimming as needed around fence area specifically, and any other as needed
3. Edging as needed, but no less than once a month, sidewalks specifically, any other as needed
4. Blowing biweekly, all paved parking and porches
5. Fertilizer per schedule in proposal
6. Treat ant hills as soon as you see them, but any other pesticide or herbicide must be approved
7. Remove all trash each visit
8. Overseeding per schedule in proposal
9. Spray and clean up around fence area as needed
10. Maintain plant bed as needed to include mulch

The following is clarification on the alternate, one-time work to bring site up to par including, but not limited to:

1. Fill areas around building and front grass areas
2. Sod around building
3. Seed front areas, and area around fence
4. Design small bed at front of building, furnish and plant six small shrubs, mulch

Thanks

Ruth Burleson/Buyer
