Addendum

SOLICITATION NAME	HVAC Services at North Ridge Crossing C15008	ADDENDUM NUMBER	3	DATE	09-30-14
--------------------------	--	------------------------	---	-------------	----------

KCDC is using this addendum to answer the questions raised about this solicitation. To aid in readability, the questions are in black and the answers are in **bold** and the answers follow immediately below.

Q1	The contract calls for the job to be complete in 120 days, is this 120 working days or calendar days. If it is calendar days, that only gives approximately 86 days to install 100 units instead of 60 (per addendum). If it is calendar days can this be amended to 180 days.
	KCDC agrees that the successful vendor will have 180 calendar days to complete the work once a notice to proceed is issued.
