ADDENDUM

Addendum #1 on Bid # 4679 Dairy, Milk & Juice, making the following corrections and clarifications:

- QUESTION: We understand the dairy awarded the bid will need to provide equipment. How many? And what sizes are the pieces of equipment?

RESPONSE: Currently we have these sizes and if two sided we will need two sided. If one sided, we can use 1 or 2 sided.

14 - 1 sided 16 crate

6 - 2 sided 16 crate

1 - 1 sided 12 crate

6 - 1 sided 8 crate

6 - 2 sided 8 crate

- QUESTION: Will an opportunity for the dairy awarded bid have keys to the schools?

RESPONSE: We do not allow keys or alarm codes to be given to anyone other than school staff. We require invoices to be signed by managers when the product is delivered, so delivery must be made during normal hours that managers are at school. The bid language states 6:30 a.m. – 2:00 p.m. on school days, which will cover all the schedules.
