Questions and Answers

1. Please confirm the contents of the building (including the travel trailer and generator) are not going to be removed prior to the demolition and will require disposal/removal by the contractor.
The trailer and other items of value will be removed by the county prior to notice to proceed.
2. Should the retention area south of the building and drives be filled and leveled or left as is?
The retention area should be filled and the entire site leveled for appropriate drainage.
3. Is any seeding required after completion of leveling the site? If so, is contractor responsible for watering (note the irrigation well is specified to be capped)?
No seeding of the site is required.
