Re: Chromebooks Questions

Subject: ITB# 1012300010(CL) – Chromebooks/Software

Date: September 28, 2022

This addendum is issued to provide answers to questions received as of 9/23/22. It shall be considered as part of the contract subject to all the general conditions thereof, the same as if attached to and included in the original specifications. All items included in the addendum shall be covered in the Bid as submitted by the Contractor.

- Question:** Offer alternative brands (Lenovo for instance)?
Answer: As per the bid documents, we are standardizing student equipment and will not be accepting alternate brands.
- Question:** Quote only on individual line items - for instance, we offer our own 3rd party “mail in warranty”?
Answer: Requesting Department would prefer the warranty and Chromebook brand be the same. For example, we are requesting Dell products, therefore we would prefer a Dell Warranty.
- Question:** Would you be considering any Protective Cases?
Answer: This bid did not have a line item requesting cases. If cases are needed, they will be purchased separately at a later date.
- Question:** Can we submit the proposals via email?
Answer: No
- Question:** Whether companies from Outside USA can apply for this? (like, from India or Canada)
Answer: Yes, as long as they are in compliance with #26, #34 and #44 of our General Terms & Conditions.
- Question:** Whether we need to come over there for meetings?
Answer: No, they don't need to come over for meetings.

7. **Question:** Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)

Answer: As long as they meet all of the requirements.
