**Addendum #01  
August 20, 2020**

**IFB 21-B0008  
Fire Hose**

The purpose of this Addendum #01 to IFB 21-B0008 for Fire Hose, dated August 14, 2020, is to answer the following question:

1. Our company sells many different models of fire hose that meet the basic criteria. Is there a more defined specification for the hose you are requesting in this bid?

**No, a more defined specification is not available. We do not want to restrict competition to only one vendor or one manufacturer. The City recognizes that there are various grades of hose. Therefore, bidders must include a detailed specification sheet on the hose being offered as part of their bid package.**

Sealed bids are due no later than Tuesday, September 1, 2020 at 2:00PM (local time.) No electronic submissions will be accepted. The City is not responsible for late or misdirected mail.

Thank you,
