ADDENDUM NO. 3: Notice to Bidders

1. On the RFB for the copiers, it appears there is missing an "ITEM 2" in the Bid Proposals, but the page numbers appear to be in order.

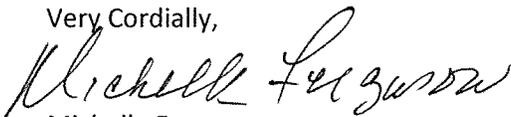

TGC Response: There is a total of seven items under "Bid Proposals". There are not any missing items and should read Item 1 – Item 7.

2. Will the County consider alternate proposals concerning the coin operated unit, such as card or PIN operated?

TGC Response: No
