**Addendum 01  
September 23, 2021  
IFB 22-B0013  
Concrete Sidewalks and Pads**

The purpose of this Addendum 01 to IFB 22-B0013 for Concrete Sidewalks and Pads, dated September 13, 2021, is to list the key points of discussion from the mandatory pre-bid site visit.

- All measurements are approximate. Bidder is required to do their own measurements.
- Bidders are encouraged to visit both sites to do their own measurements and take any photos. In doing so, please be mindful of programs and activities that may be occurring. Bear in mind that the Ned Donkle Complex is a shared facility between the Pepper Geddings Recreation Center and the adjacent Myrtle Beach High School.
- Liquidated damages have not been applied to this bid, thus the dollar amount paragraph 13.06 has been intentionally left blank.
- Bidder will be responsible for all project spoils at both locations.
- The City will be responsible for marking the two-foot perimeter around the trees and electrical boxes/transformers at the Ned Donkle location.
- The sidewalks at Midway Park will expand from their current measurement of five feet wide to six feet wide. Additionally, the first sentence under the Scope of Work for Midway Park (page 23 of the bid document) should read, "Contractor must remove existing sidewalks and replace with concrete that is 6-feet wide and 6-INCHES thick, with no less than a 2-inch coquina base." Sidewalk replacement will continue up to the ramp, but will not include the ramp.
- The bike rack along the sidewalk at Midway Park will need to be removed and reinstalled.
- The sidewalk slab at the entrance to Midway Park must also be replaced.
- The two 10-foot by 10-foot pads at Midway Park will now be two 20-foot by 10-foot pads.
- The sleeves installed under the sidewalks at Midway Park will be 4-inch sleeves and not 2-inch sleeves as previously indicated.
- Additional questions are due no later than 12:00 noon (local time) on Thursday, September 30, 2021. Questions may be submitted via e-mail to [asowers@cityofmyrtlebeach.com](mailto:asowers@cityofmyrtlebeach.com). All questions received by the deadline will be answered via addendum.

- Sealed bids are due in the Purchasing Office no later than 2:00PM (local time) on Tuesday, October 12, 2021. No electronic submissions will be accepted. The City of Myrtle Beach is not responsible for late or misdirected mail.
- The mandatory pre-bid site visit sign-in sheet is attached and is hereby made part of this addendum.

Please send in your bid in a sealed envelope to the address below:

City of Myrtle Beach

3231 Mr. Joe White Avenue

Myrtle Beach, SC 29577
