Seagate Village ADA Ramps

November 13, 2018

The following questions have been asked and answered from the new bid schedule:

1. Item #4 – 6” x 4’ sidewalk. Is this 6” thick and 4’ wide?
A. Yes, 6” thick, 4 feet wide to match existing sidewalk
2. Also, the sidewalk is normally always bid in SF or SY
A. Bid sidewalk in square feet
3. Item #7 ADA compliant handicap ramp – each area has two handicap ramps, so is the bid for one or two?
A. One ramp
4. Is there anyway to just use the original bid schedule but have and Alternate #1 still for the Pavers and the Alternate #2 for the Mates? The first bid schedule has everything that needs to be in there.
A. I would like to keep them separate.

Thank you for your interest in this project.
