ADDENDUM 1

Response to Written Questions

RFP 008-2022

Surveying and Utility Mapping of Chaparral Middle School Existing Site

All Contractors, Subcontractors and suppliers are reminded that they shall be familiar with all addenda items

March 15, 2022

Q#1- Are we to show only record boundary information on the topographic survey, or are we to conduct a full boundary survey on the property?

Answer #1 – Only record boundary information is needed

Q#2- Will a title report be provided which includes vesting documents and any easements affecting the property to be surveyed?

Answer #2 – The district can only provide record deed information. Contractor must include any additional research needed to complete the scope of this survey.

Q#3 – Will as-built drawings be provided which show the location of underground utility lines?

Answer #3 – Some drawings are available, but we do not possess as-built drawings for this site. All district plan information must be varied by contractor.

Any questions are to be directed to Marie Bouma marie.bouma@alamogordoschools.org.
