ADDENDUM NO. 6

DATE: April 17, 2020
PROJECT: ITB 20391
FENCING INSTALLATION, REMOVAL, AND REPAIR

OPENING DATE: ~~April 20, 2020~~ April 27, 2020 2:00 PM

This addendum is hereby incorporated into the Bid Documents for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~strikethrough~~.

1. The bid opening has been changed from ~~April 20, 2020~~ to April 27, 2020.
2. Q1: to Q8: are either clear on the Bid Schedule or were answered on Addendum 5. Also, Q20: through Q31: do not correspond to our Bid Schedule. The ITB Addendum 1 stated that all questions need to be received 10 days prior to bid opening (that would have been 4/10/2020), so I feel that this new addendum is out of scope per the ITB. Omit sections F, G and H from the Bid Schedule and move forward with the bid. Line numbers have been renumbered to be consecutive.
3. Questions and Answers:

A2: Addendum 6, everything on the bid schedule is 6 gauge.
Q3: Both 9 gauge in black and galv is cheaper the 6 gauge black. You would need your heights to be able to do a "price change for 9 gauge"
