

**Bid #2035 – Heavy Duty Rescue Vehicle
Questions & Answers**

1. There is no mention on the truck having a battery charging system, auto eject nor air compressor. Should there have been?

Answer: The spec should include the Kussmaul Charging System that charges the battery and keeps fluids & motor warm.

2. I cannot find anything on whether or not the body is to be painted single or two tone paint.

Answer: Single color – Rescue Squad Green
