This addendum answers questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bolded blue**, and the answers follow immediately below.

Q1	Your specifications says: "On occasion KCDC will find that apartment tenants have vacated the unit without informing KCDC. Sometimes bulky items remain in the apartment. KCDC will then contact the vendor in order to have those items taken the appropriate landfill." The question is does the vendor go into the apartments or goes KCDC bring these items down to the dumpster area?
	<b>In these cases, the vendor will enter the apartments to get the items.</b>
Q2	How many people currently perform the work?
	<b>KCDC has two employees performing these tasks.</b>
Q3	Where does KCDC currently take the trash materials to?
	<b>KCDC uses the City of Knoxville Solid Waste Management or Riverside C&amp;D Landfill.</b>
Q4	Paragraph 4C-does KCDC envision taking one or two items for scrap or it only for many items?
	<b>No. Normally this would be for six or more items.</b>
Q5	Can we get an extension on the due date?
	<b>July 8<sup>th</sup> is the new due date.</b>
