

NOTICE OF REJECTION

BID/RFP No: 16-003

DATE OPENED: 09/15/15

TITLE: Kelsey Avenue Ecosystem Restoration Project

NOTICE POSTING DATE: 09/16/15

This form shall serve as official notice of the City's decision to "reject all bids" for the above solicitation.

All responses received substantially exceeded the City's budget for this project. In order to acquire submittals that are more in line with the project budget, all responses for the above solicitation have been rejected; the project specifications will be revisited and a new solicitation will be published in the near future. We apologize for any inconvenience this may have caused.

While efforts are made to include all potential suppliers, the initial sourcing will be from the City's database, using the NIGP commodity codes. If you are not currently a registered vendor with the City, information can be found on our website, using the link,
