

RFB2010 2020 Summer Asphalt and Concrete Projects

ADDENDUM 1 April 29, 2020

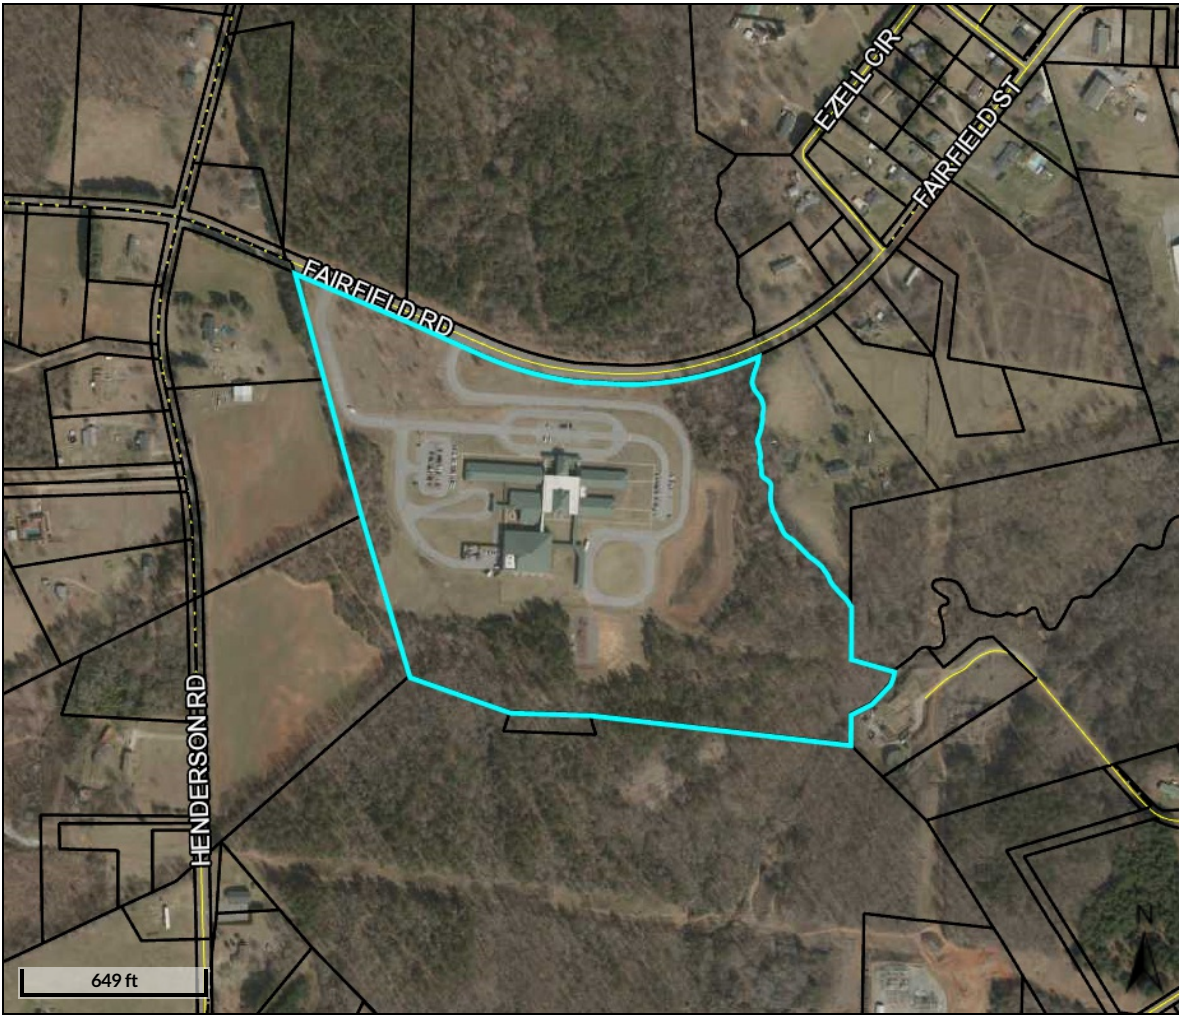

This addendum is being released to address the following:

- 1) A map of Chesnee Elementary was left out of the map package. It is included in this addendum. All current paved areas will be seal coated.
- 2) Will this project be awarded as a whole or four separate contracts? (i.e. each project to the low bidder as in previous years?)

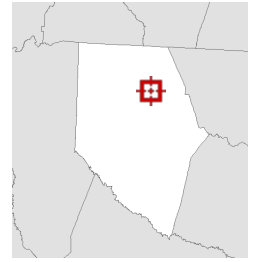

The District intends to award a contract resulting from this Request for Sealed Bids to the lowest overall responsive and responsible bidder by site

- 3) When the asphalt is removed and base material is proof rolled prior to the new asphalt install, will undercut (if needed) be addressed as a change order?

The District does not anticipate this, however, if necessary, it would be a change order.
