

**City of Myrtle Beach  
SOUTH CAROLINA**

**Addendum #01  
January 11, 2024  
IFB 24-B0025  
Compactor Upfit**

The purpose of this Addendum #01 to IFB 24-B0025 for Compactor Upfit dated January 11, 2024, is to list the key points of discussion from the pre-bid meeting and to provide the pre-bid meeting sign-in sheet that is attached and hereby made a part of this addendum.

- This is a 60 day project. Liquidated damages are \$500.00 per day. The Prime Contractor is responsible for 70% of the work.
- Bid award will be based on the overall price for all compactor pads. There are a total of 6 compactor pads the City desires to have upfitted, however the number of compactor pads to be upfitted will be contingent upon bid submission prices.
- The Contractor will be responsible for the removal of retainer walls.
- The depth of the concrete and any utilities that may be underneath the pads are unknown.
- At some sites, design and build will be required for the replacement of curbs.
- No landscaping is involved in this project, however some site will require seeding and/or straw placement.
- The Contractor shall be responsible for burying conduit for the compactor pumps, but will not be responsible for reconnecting wiring to the compactors.
- There are no plug-ins to storm drains. The compactor pads will be elevated for water run-off.
- The City will be responsible for replacing any and all fencing at the compactor sites.

All questions must be received by the Buyer, in writing, prior to 5:00p.m. on Tuesday, January 16, 2024. All addenda will be issued prior to 5:00p.m. on Tuesday, January 23, 2024. Bid submissions must be received by the Procurement Office prior to 2:00p.m. on Tuesday, January 30, 2024.

Thank you,
