Addendum #01

July 31, 2023

IFB 24-B0003

Fire Department T-Shirts

The purpose of this Addendum #01 to IFB 24-B0003 for Fire Department T-Shirts, dated July 20, 2023, is to answer the following question:

1. Please provide the annual estimated purchase and previous award details.

The annual estimated purchase is found on page 24 of the solicitation document under the heading of Quantity. The project was previously awarded to All-Star Custom Apparel and Design out of Rush, NY. Current prices range from \$6.82 to \$11.54, contingent upon shirt size and required screen print design. This project is being re-bid because the previously awarded company has gone out of business.

Sealed bids are due no later than Thursday, August 3, 2023 at 2:00PM (local time.) No extensions will be granted. No electronic submissions will be accepted. The City is not responsible for late or misdirected mail.

Thank you,
City of Myrtle Beach
