ADDENDA #1 – Language for Substitutions

January 28, 2019

Question: There is a 10 day deadline for submittal of changes; and proposals for substitutions shall be made only by prime bidders.

Answer: Page 0131414-1 / 1.02 Substitutions.

Remove paragraph D. With understanding that paragraphs E, F, and G are still required.

~~Paragraph D is removed: Proposed substitutions of materials or equipment must be submitted ten (10) days prior to final bid date with complete drawing documents for consideration as approved equals. Otherwise, such substitutions will not be permitted. Proposals for substitutions shall be made only by prime bidders. Manufacturers, distributors, and sub-contractors shall not make proposals to the Architect for substitutions.~~
