Question 1:

The previous/current NRSA areas in the City are Eastside and Central. Is the City thinking the same general geography for NRSA areas or looking at other locations? Of course, any NRSA area would be subject to eligibility verification.

Answer:

CD is reevaluating the Eastside and Central NRSA maps. We anticipate the areas to remain the same.

Question 2:

What's the budget available for this project? That may limit the extent and scope of community engagement.

Answer:

The Community Development Department budget is \$25,000.

Thank you.
