

31	<p>For Section 6, Project References, is the Maximum of five pages intended for each Specialization Area (so if you are submitting for two specialization areas it would be 10 pages total, then you are allowed the additional one page resume for each area), or 5 pages total, which needs to include all specialization areas, then you are allowed the additional one page resume for each area?</p> <p><b>Answer:</b> 5 page per Specialization Area and 1 page for resume. If you are responding to 2 Specialization Areas, then double these pages.</p>
