Re: Addendum No. 1

Request for Bid: Repairs to components of Wells #1, #2, and #3.

Bids Due: January 4, 2016 11:00 A.M., local time

This bid date is being moved up from January 11th to January 4th in order to get the repair process on these components completed in a more timely manner. As a majority of vendors have already responded to Richard Nelson regarding this project, the City is confident that the earlier due date will not pose a problem.
