CITY OF CANTON
GROUP HEALTH BENEFIT PLAN
SUMMARY PLAN DESCRIPTION

INTRODUCTION

The purpose of this document is to provide You and Your covered Dependents, if any, with summary information on benefits available under this Plan as well as information on a Covered Person's rights and obligations under the CITY OF CANTON Health Benefit Plan (the "Plan"). As a valued Employee of CITY OF CANTON, we are pleased to sponsor this Plan to provide benefits that can help meet Your health care needs. Please read this document carefully and contact Your Human Resources or Personnel office if You have questions.

CITY OF CANTON is named the Plan Administrator for this Plan. The Plan Administrator has retained the services of independent Third Party Administrators to process claims and handle other duties for this self-funded Plan. The Third Party Administrators for this Plan are UMR, Inc. (hereinafter "UMR") for medical claims, and OputmRx – Direct for pharmacy claims. The Third Party Administrators do not assume liability for benefits payable under this Plan, as they are solely claims paying agents for the Plan Administrator.

The employer assumes the sole responsibility for funding the Plan benefits out of general assets; however, Employees help cover some of the costs of covered benefits through contributions, Deductibles, out-of-pocket, and Plan Participation amounts as described in the Schedule of Benefits. All claim payments and reimbursements are paid out of the general assets of the employer and there is no separate fund that is used to pay promised benefits.

Some of the terms used in this document begin with a capital letter, even though the term normally would not be capitalized. These terms have special meaning under the Plan. Most terms will be listed in the Glossary of Terms, but some terms are defined within the provision the term is used. Becoming familiar with the terms defined in the Glossary will help to better understand the provisions of this Plan.

Individuals covered under this Plan will be receiving an identification card to present to the provider whenever services are received. On the back of this card are phone numbers to call in case of questions or problems.

This document summarizes the benefits and limitations of the Plan and will serve as the SPD and Plan document. Therefore it will be referred to as both the Summary Plan Description ("SPD") and plan document.

This document becomes effective on February 1, 2010.

OUT-OF-POCKET EXPENSES AND MAXIMUMS

CO-PAYS

A Co-pay is the amount that the Covered Person must pay to the provider each time certain services are received. Co-pays do not apply toward satisfaction of out-of-network out-of-pocket maximums or Deductibles. The Co-pay and out-of-pocket maximum are shown on the Schedule of Benefits.

DEDUCTIBLES

Deductible refers to an amount of money paid once a Plan Year by the Covered Person before any Covered Expenses are paid by this Plan. A Deductible applies to each Covered Person up to a family Deductible limit. When a new Plan Year begins, a new Deductible must be satisfied.

Deductible amounts are shown on the Schedule of Benefits.

Pharmacy expenses do not count toward meeting the Deductible of this Plan. The Deductible amounts that the Covered Person incurs for Covered Expenses will be used to satisfy the Deductible(s) shown on the Schedule of Benefits.

The Deductible amounts that the Covered Person incurs at all benefit levels (whether Incurred at an in-network or out-of-network provider) will be used to satisfy the total individual and family Deductible.

If You have family coverage, any combination of covered family members can help meet the maximum family Deductible, up to each person's individual Deductible amount.

All Covered Expenses which are Incurred during the last three months of a Plan Year and applied toward satisfaction of the individual and family Deductible for that year, will also be applied toward the individual and family Deductible requirement for the next Plan Year.

PLAN PARTICIPATION

Plan Participation means that, after the Covered Person satisfies the Deductible, the Covered Person and the Plan each pay a percentage of the Covered Expenses until the Covered Person's (or family's, if applicable) annual out-of-pocket maximum is reached. The Plan Participation rate is shown on the Schedule of Benefits. The Covered Person will be responsible for paying any remaining charges due to the provider after the Plan has paid its portion of the Covered Expense, subject to the Plan's maximum fee schedule, Negotiated Rate, or Usual and Customary amounts as applicable. Once the annual out-of-pocket maximum has been satisfied, the Plan will pay 100% of the Covered Expense for the remainder of the Plan Year.

Any payment for an expense that is not covered under this Plan will be the Covered Person's responsibility.

ANNUAL OUT-OF-POCKET MAXIMUMS

The annual out-of-pocket maximum is shown on the Schedule of Benefits. Amounts the Covered Person incurs for Covered Expenses, such as the Deductible, Co-pays if applicable, and any Plan Participation expense, will be used to satisfy the Covered Person's (or family's, if applicable) annual in-network out-of-pocket maximum(s). Pharmacy expenses that the Covered Person incurs do not apply toward the medical out-of-pocket maximum of this Plan.

The following will not be used to meet the out-of-pocket maximums:

- Out-of-network Co-pays.
- Penalties, legal fees and interest charged by a provider.
- Expenses for excluded services.

Effective: 01-01-2022

- Any charges above the limits specified elsewhere in this document.
- Co-pays and Participation amounts for Prescription products.
- Any amounts over the Recognized Amount, Usual and Customary amount, Negotiated Rate or established fee schedule that this Plan pays.

The eligible out-of-pocket expenses that the Covered Person incurs at all benefit levels (whether Incurred at an in-network or out-of-network provider) will be used to satisfy the total out-of-pocket maximum.

ELIGIBILITY AND ENROLLMENT

ELIGIBILITY AND ENROLLMENT PROCEDURES

You are responsible for enrolling in the manner and form prescribed by Your employer. The Plan's eligibility and enrollment procedures include administrative safeguards and processes designed to ensure and verify that eligibility and enrollment determinations are made in accordance with the Plan. The Plan may request documentation from You or Your dependents in order to make these determinations. The coverage choices that will be offered to You will be the same choices offered to other similarly situated Employees.

WAITING PERIOD (Applies to all other Employees)

If eligible, You must complete a Waiting Period before coverage becomes effective for You and Your Dependents. A Waiting Period is a period of time that must pass before an Employee or Dependent becomes eligible for coverage under the terms of this Plan.

The Waiting Period for [Current and New Employees](#): 0-days.

Recreation Department

You will have a 30-day waiting period that begins the later of:

- The day You physically report to work; or
- The date You begin Full-time status before any benefits will become effective. Benefits will become effective the first day following 30 days of continuous, active Full-time employment.

All Other

You will have a 60-day waiting period that begins the later of:

- The day You physically report to work; or
- The first day of the calendar month following 60 days of employment with credit being given for part-time Employees who transition full-time.

[Part-Time Employees moving to Full-Time Status](#): With respect to such eligible person who become employed by the employer on or after the effective date of this Plan, the effective date is immediate, provided the Employee has worked at least 60 calendar days.

The start of Your Waiting Period is the first full day of employment for the job that made You eligible for coverage under this Plan.

ELIGIBILITY REQUIREMENTS

An **eligible Employee** is an Employee who works a minimum of 30 hours on a regular basis in the usual course of the employer's business, all city councilmen (coverage will be secondary to any coverage provided through other full-time employment, subject to maximum contribution requirements as established by the City), all elected officials, all attorneys in the City Law Department, part-time referee(s), any active Full-Time Employee(s) of the Canton Recreation Department, or any Employee meeting the requirements set forth in the AFSCME or a Non-AFSCME negotiated collective bargaining agreement and any participants included by virtue of special agreements as identified in writing by the City of Canton, are eligible for coverage. A contribution towards the cost of the Plan may be required by the Plan Sponsor for participation in the Plan, but for purposes of this Plan, it does not include the following classifications of workers as determined by the employer in its sole discretion:

- Leased Employees.
- An Independent Contractor as defined in this Plan.

- A consultant who is paid on other than a regular wage or salary by the employer.
- A member of the employer's Board of Directors, an owner, partner, or officer, unless engaged in the conduct of the business on a full-time regular basis.

For purposes of this Plan, eligibility requirements are used only to determine a person's initial eligibility for coverage under this Plan. An Employee may retain eligibility for coverage under this Plan if the Employee is temporarily absent on an approved leave of absence, with the expectation of returning to work following the approved leave as determined by the employer's leave policy, provided that contributions continue to be paid on a timely basis. Employees who meet eligibility requirements during a measurement period as required by the Affordable Care Act (ACA) regulations will have been deemed to have met the eligibility requirements for the resulting stability period as required by the ACA regulations. The employer's classification of an individual is conclusive and binding for purposes of determining eligibility under this Plan. No reclassification of a person's status, for any reason, by a third-party, whether by a court, governmental agency or otherwise, without regard to whether or not the employer agrees to such reclassification, shall change a person's eligibility for benefits.

Note: Eligible Employees and Dependents who decline to enroll in this Plan must state so in writing. In order to preserve potential Special Enrollment rights, eligible individuals declining coverage must state in writing that enrollment is declined due to coverage under another group health plan or health insurance policy. Proof of such plan or policy may be required upon application for Special Enrollment. See the Special Enrollment section.

An **eligible Dependent** includes:

- Your legal spouse, as defined by the state in which You reside, provided he or she is not covered as an Employee under this Plan. An eligible Dependent does not include an individual from whom You have obtained a legal separation or divorce or who no longer meets the definition of a Common-Law Marriage spouse. Documentation on a Covered Person's marital status may be required by the Plan Administrator.

The City shall provide to all eligible Employees a comprehensive medical plan. The required contribution on behalf of the Employee toward this coverage shall be a negotiated amount per pay. If other health coverage is not available to the spouse through his or her employer, then he or she is eligible and may enroll for coverage under City of Canton Plan under the same contribution. The City shall coordinate benefits with any other group medical plan for which the Dependents are eligible. If a spouse has medical health care coverage offered through their employer, they are required to take that coverage on themselves and on any Children if the spouse's birthday comes first in the calendar year, in order to be covered under City of Canton health care coverage as the secondary plan. Time frame to enroll is at the earliest convenience without penalty, or at earliest open enrollment period offered. Coverage for Children by the spouse is not required if Your birthday (City of Canton Employee) is first in the calendar year. In the event the spouse's medical health care coverage premium is in excess of \$200 per month for single coverage, he or she may waive that coverage and enroll for coverage under the City of Canton Plan and City Employee premium contribution will be increased to a negotiated amount per pay. The coordination of benefits provision then will pay benefits for the spouse as if the City Plan were both primary and secondary. If the spouse's medical health care coverage premium is in excess of \$300 per month for family coverage, he or she may waive that coverage and enroll for coverage under the City of Canton Plan and the City Employee premium contribution will be increased to a negotiated amount per pay. The Coordination of Benefits provision then will pay benefits for the family as if the City plan were both primary and secondary. The City of Canton Employee must notify the Plan Administrator immediately in writing of such other group health coverage for the spouse and the City of Canton Plan will be secondary beginning the day of such other coverage commences.

- A Dependent Child until the Child reaches his or her 26th birthday. The term "**Child**" includes the following Dependents:
 - A natural biological Child;
 - A step Child **living with the Employee or residing outside of the home;**

- A legally adopted Child or a Child legally Placed for Adoption as granted by action of a federal, state or local governmental agency responsible for adoption administration or a court of law if the Child has not attained age 26 as of the date of such placement;
 - A Child under Your (or Your spouse's) permanent or temporary Legal Guardianship as ordered by a court;
 - A Child who is considered an alternate recipient under a Qualified Medical Child Support Order (QMCSO);
 - A grandchild as long as the Employee's covered Dependent is the parent of the grandchild.
- A Dependent does not include the following:
 - A foster Child;
 - A Child of a Domestic partner or under Your Domestic Partner's Legal Guardianship;
 - Domestic Partners;
 - Any other relative or individual unless explicitly covered by this Plan.
 - A Dependent Child if the Child is covered as a Dependent of another Employee at this company.

Employees have the right to choose which eligible Dependents are covered under the Plan.

Note: An Employee must be covered under this Plan in order for Dependents to qualify for and obtain coverage.

NON-DUPLICATION OF COVERAGE: Any person who is covered as an eligible Employee shall not also be considered an eligible Dependent under this Plan.

RIGHT TO CHECK A DEPENDENT'S ELIGIBILITY STATUS: The Plan reserves the right to check the eligibility status of a Dependent at any time throughout the year. You and Your Dependent have a notice obligation to notify the Plan should the Dependent's eligibility status change throughout the Plan year. Please notify Your Human Resources Department regarding status changes.

EFFECTIVE DATE OF EMPLOYEE'S COVERAGE

Your coverage will begin on the later of:

- If You apply within Your Waiting Period, Your coverage will become effective the first day of the month following the date You complete Your Waiting Period. If Your Waiting Period ends on the first day of the month, Your coverage will not begin until the first day of the following month; or **(Applies to all other Employees)**
- If You apply within 30 days of hire, Your coverage will become effective [the date the Employee returns](#); or **(Applies to Retirees or rehires returning within 13 weeks)**
- If You are eligible to enroll under the Special Enrollment Provision, Your coverage will become effective on the date set forth under the Special Enrollment Provision if application is made within 31 days of the event.

EFFECTIVE DATE OF COVERAGE FOR YOUR DEPENDENTS

Your Dependent's coverage will be effective on the later of:

- The date Your coverage with the Plan begins if You enroll the Dependent at that time; or
- The date You acquire Your Dependent if application is made within 31 days of acquiring the Dependent; or

- February 1 following application during the annual open enrollment period. The Dependent will be considered a Late Enrollee if You request coverage for Your Dependent more than 30 days of Your hire date, or more than 31 days following the date You acquire the Dependent; or
- If Your Dependent is eligible to enroll under the Special Enrollment Provision, the Dependent's coverage will become effective on the date set forth under the Special Enrollment Provision if application is made within 31 days following the event; or
- The later of the date specified in a Qualified Medical Child Support Order or the date the Plan Administrator determines that the order is a QMCSO.

A contribution will be charged from the first day of coverage for the Dependent, if additional contribution is required. In no event will Your Dependent be covered prior to the day Your coverage begins.

ANNUAL OPEN ENROLLMENT PROVISION

During the annual open enrollment period, eligible Employees will be able to enroll themselves and their eligible Dependents for coverage under this Plan. Eligible Employees and their Dependents who enroll during the annual open enrollment period will be considered Late Enrollees. Covered Employees will be able to make a change in coverage for themselves and their eligible Dependents.

(Applies to all other Employees) Coverage Waiting Periods are waived during the annual open enrollment period for covered Employees and covered Dependents changing from one Plan to another Plan or changing coverage levels within the Plan.

If You and/or Your Dependent become covered under this Plan as a result of electing coverage during the annual open enrollment period, the following shall apply:

- The annual open enrollment period shall typically be December [to January](#). The employer will give eligible Employees written notice prior to the start of an annual open enrollment period; and
- This Plan does not apply to charges for services performed or treatment received prior to the Effective Date of the Covered Person's coverage; and
- The Effective Date of coverage shall be February 1 following the annual open enrollment period.

SPECIAL ENROLLMENT PROVISION

Under the Health Insurance Portability and Accountability Act

This Plan gives eligible persons special enrollment rights under this Plan if there is a loss of other health coverage or a change in family status as explained below. The coverage choices that will be offered to You will be the same choices offered to other similarly situated Employees.

LOSS OF HEALTH COVERAGE

Current Employees and their Dependents may have a special opportunity to enroll for coverage under this Plan if there is a loss of other health coverage.

If the following conditions are met:

- You and/or Your Dependents were covered under a group health plan or health insurance policy at the time coverage under this Plan is offered; and
- You and/or Your Dependent stated in writing that the reason for declining coverage was due to coverage under another group health plan or health insurance policy; and
- The coverage under the other group health plan or health insurance policy was:
 - COBRA continuation coverage and that coverage was exhausted; or
 - Terminated because the person was no longer eligible for coverage under the terms of that plan or policy; or
 - Terminated and no substitute coverage is offered; or
 - Exhausted due to an individual meeting or exceeding a lifetime limit on all benefits; or
 - No longer receiving any monetary contribution toward the premium from the employer.

You or Your Dependent must request and apply for coverage under this Plan no later than 31 calendar days after the date the other coverage ended.

- You and/or Your Dependents were covered under a Medicaid plan or state child health plan and Your or Your Dependents coverage was terminated due to loss of eligibility. You must request coverage under this Plan within 60 days after the date of termination of such coverage.

You or Your Dependents may not enroll for health coverage under this Plan due to loss of health coverage under the following conditions:

- Coverage was terminated due to failure to pay timely premiums or for cause such as making a fraudulent claim or an intentional misrepresentation of material fact, or
- You or Your Dependent voluntarily canceled the other coverage, unless the current or former employer no longer contributed any money toward the premium for that coverage.

CHANGE IN FAMILY STATUS

Current Employees and their Dependents, COBRA Qualified Beneficiaries and other eligible persons have a special opportunity to enroll for coverage under this Plan if there is a change in family status.

If a person becomes Your eligible Dependent through marriage, birth, adoption or Placement for Adoption, the Employee, spouse and newly acquired Dependent(s) who are not already enrolled, may enroll for health coverage under this Plan during a special enrollment period. You must request and apply for coverage within 31 calendar days of marriage, birth, adoption or Placement for Adoption.

NEWLY ELIGIBLE FOR PREMIUM ASSISTANCE UNDER MEDICAID OR CHILDREN'S HEALTH INSURANCE PROGRAM

Current Employees and their Dependents may be eligible for a Special Enrollment period if the Employee and/or Dependents are determined eligible, under a state's Medicaid plan or state child health plan, for premium assistance with respect to coverage under this Plan. The Employee must request coverage under this Plan within 60 days after the date the Employee and/or Dependent is determined to be eligible for such assistance.

EFFECTIVE DATE OF COVERAGE UNDER SPECIAL ENROLLMENT PROVISION

If an eligible person properly applies for coverage during this special enrollment period, the coverage will become effective:

- In the case of marriage, on the date of the marriage (Note: Eligible individuals must submit their enrollment forms prior to the Effective Date of coverage in order for salary reductions to have preferred tax treatment from the date coverage begins); or
- In the case of a Dependent's birth, on the date of such birth; or
- In the case of a Dependent's adoption, the date of such adoption or Placement for Adoption; or
- In the case of eligibility for premium assistance under a state's Medicaid plan or state child health plan, on the date the approved request for coverage is received; or
- In the case of loss of coverage, on the date following loss of coverage.

RELATION TO SECTION 125 CAFETERIA PLAN

This Plan may also allow additional changes to enrollment due to change in status events under the employer's Section 125 Cafeteria Plan. Refer to the employer's Section 125 Cafeteria Plan for more information.

TERMINATION

For information about continuing coverage, refer to the COBRA section of this SPD.

EMPLOYEE'S COVERAGE

Your coverage under this Plan will end on the earliest of:

- The end of the period for which Your last contribution is made, if You fail to make any required contribution towards the cost of coverage when due; or
- The date this Plan is canceled; or
- The date coverage for Your benefit class is canceled; or
- The last day of the month in which You tell the Plan to cancel Your coverage if You are voluntarily canceling it while remaining eligible because of change in status, special enrollment or at annual open enrollment periods; or
- The end of the stability period in which You became a member of a non-covered class, as determined by the employer except as follows:
 - If You are temporarily absent from work due to an approved leave of absence for medical or other reasons, Your coverage under this Plan will continue during that leave for up to one year, provided that the applicable Employee contribution is paid when due.
 - If You are temporarily absent from work due to active military duty, refer to USERRA under the USERRA section; or
- The last day of the month in which You are laid off; or
- The date of employment termination; or
- The date of any work stoppage due to strike; or
- The date You submit a false claim or are involved in any other form of fraudulent act related to this Plan or any other group plan.

YOUR DEPENDENT'S COVERAGE

Coverage for Your Dependent will end on the earliest of the following:

- The end of the period for which Your last contribution is made, if You fail to make any required contribution toward the cost of Your Dependent's coverage when due; or
- The day of the month in which Your coverage ends; or
- The last day of the month in which Your Dependent is no longer Your legal spouse or does not meet the definition of Common Law Marriage spouse due to legal separation or divorce, as determined by the law of the state where the Employee resides; or
- The last day of the month in which Your Dependent Child attains the limiting age listed under the Eligibility section; or
- The last day of the month in which Your Dependent Child no longer satisfies a required eligibility criteria listed in the Eligibility and Enrollment Section; or

- The date Dependent coverage is no longer offered under this Plan; or
- The last day of the month in which You tell the Plan to cancel Your Dependent's coverage if You are voluntarily canceling it while remaining eligible because of change in status, special enrollment or at annual open enrollment periods; or
- The last day of the month in which the Dependent becomes covered as an Employee under this Plan; or
- The date You or Your Dependent submits a false claim or are involved in any other form of fraudulent act related to this Plan or any other group plan.

RESCISSION OF COVERAGE

As permitted by the Patient Protection and Affordable Care Act, the Plan reserves the right to rescind coverage. A rescission of coverage is a retroactive cancellation or discontinuance of coverage due to fraud or intentional misrepresentation of material fact.

A cancellation/discontinuance of coverage is **not** a rescission if:

- it has only a prospective effect; or
- it is attributable to non-payment of premiums or contributions; or
- it is initiated by You or Your personal representative.

REINSTATEMENT OF COVERAGE

If Your coverage ends due to termination of employment, leave of absence, reduction of hours, or layoff and You qualify for eligibility under this Plan again (are rehired or considered to be rehired for purposes of the Affordable Care Act) within 3 years from the date Your coverage ended, Your coverage will be [effective the first day of the month following rehire](#). If Your coverage ends due to termination of employment, leave of absence, reduction of hours, or layoff and You do not qualify for eligibility under this Plan again (are not rehired or considered to be rehired for purposes of the Affordable Care Act) within 3 years from the date Your coverage ended, and You did not perform any hours of service that were credited within the 3 years period, You will be treated as a new hire and will be required to meet all of the requirements of a new Employee. Refer to the information on the Family and Medical Leave Act and the Uniformed Services Employment and Reemployment Rights Act for possible exceptions, or contact Your Human Resources or Personnel office.

[If an eligible Employee's coverage terminates by reason of discharge, voluntary or involuntary termination, expiration of an extension of coverage due to lay-off or a granted approved leave of absence, the Waiting Period will be waived for that eligible Employee \(and any of his or her eligible Dependents who were covered under the Plan\) if he or she is rehired within a thirteen \(13\) week period immediately following the date of his or her coverage terminating under the Plan.](#)

[If the Employee is rehired and returns to work within a thirteen \(13\) week period from the initial start date of the break in coverage due to discharge, voluntary or involuntary termination, expiration of an extension of coverage due to lay-off or a granted approved leave of absence, the Employee's coverage under the Plan \(and that for his eligible Dependents, if previously covered\) will become effective on the date he or she returns to work as an eligible Employee \(and if he or she agrees to pay any required contribution and applies for coverage for himself or herself and his or her Dependents, if applicable, within thirty \[30\] days of that date\).](#)

[If the Employee is rehired and returns to work more than a thirteen \(13\) week period after the date of discharge, voluntary or involuntary termination, expiration of an extension of coverage due to lay-off or a granted approved leave of absence, the Employee may be considered a new employee, and the Initial Enrollment section will apply.](#)

[All other "Eligibility, Effective Date and Termination" provisions as shown in this section will apply.](#)

COBRA CONTINUATION OF COVERAGE

Important. Read this entire provision to understand a Covered Person's COBRA rights and obligations.

The following is a summary of the federal continuation requirements under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended. This summary generally explains COBRA continuation coverage, when it may become available to You and Your family, and what You and Your Dependents need to do to protect the right to receive it. When You become eligible for COBRA, You may also become eligible for other coverage options that may cost less than COBRA continuation coverage. This summary provides a general notice of a Covered Person's rights under COBRA, but is not intended to satisfy all of the requirements of federal law. Your employer or the COBRA Administrator will provide additional information to You or Your Dependents as required.

You may have other options available to You when You lose group health coverage. For example, You may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in the coverage thru the Marketplace, You may qualify for lower costs on Your monthly premiums and lower out-of-pocket costs. Additionally, You may qualify for a 30-day special enrollment period for another group health plan for which You are eligible (such as a spouse's plan), even if that plan generally doesn't accept Late Enrollees.

The COBRA Administrator for this Plan is: CITY OF CANTON

INTRODUCTION

Federal law gives certain persons, known as Qualified Beneficiaries (defined below), the right to continue their health care benefits beyond the date that they might otherwise terminate. The Qualified Beneficiary must pay the entire cost of the COBRA continuation coverage, plus an administrative fee. In general, a Qualified Beneficiary has the same rights and obligations under the Plan as an active participant.

A Qualified Beneficiary may elect to continue coverage under this Plan if such person's coverage would terminate because of a life event known as a Qualifying Event, outlined below. When a Qualifying Event causes (or will cause) a Loss of Coverage, then the Plan must offer COBRA continuation coverage. Loss of Coverage means more than losing coverage entirely. It means that a person ceases to be covered under the same terms and conditions that are in effect immediately before the Qualifying Event. In short, a Qualifying Event plus a Loss of Coverage allows a Qualified Beneficiary the right to elect coverage under COBRA.

Generally, You, Your covered spouse, and Your Dependent Children may be Qualified Beneficiaries and eligible to elect COBRA continuation coverage even if the person is already covered under another employer-sponsored group health plan or is enrolled in Medicare at the time of the COBRA election.

COBRA CONTINUATION COVERAGE FOR QUALIFIED BENEFICIARIES

The length of COBRA continuation coverage that is offered varies based on who the Qualified Beneficiary is and what **Qualifying Event** is experienced as outlined below.

An Employee will become a Qualified Beneficiary if coverage under the Plan is lost because either one of the following Qualifying Events happens:

Qualifying Event	Length of Continuation
• Your employment ends for any reason other than Your gross misconduct	up to 18 months
• Your hours of employment are reduced	up to 18 months

(There are two ways in which this 18-month period of COBRA continuation coverage can be extended. See the section below entitled “The Right to Extend Coverage” for more information.)

The spouse of an Employee will become a Qualified Beneficiary if coverage is lost under the Plan because any of the following Qualifying Events happen:

Qualifying Event	Length of Continuation
• Your spouse dies	up to 36 months
• Your spouse’s hours of employment are reduced	up to 18 months
• Your spouse’s employment ends for any reason other than his or her gross misconduct	up to 18 months
• Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both)	up to 36 months
• You become divorced or legally separated from Your spouse	up to 36 months

The Dependent Children of an Employee become Qualified Beneficiaries if coverage is lost under the Plan because any of the following Qualifying Events happen:

Qualifying Event	Length of Continuation
• The parent-Employee dies	up to 36 months
• The parent-Employee’s employment ends for any reason other than his or her gross misconduct	up to 18 months
• The parent-Employee’s hours of employment are reduced	up to 18 months
• The parent-Employee becomes entitled to Medicare benefits (Part A, Part B, or both)	up to 36 months
• The parents become divorced or legally separated	up to 36 months
• The Child stops being eligible for coverage under the plan as a Dependent	up to 36 months

Note: A spouse or Dependent Child newly acquired (newborn or adopted) during a period of continuation coverage is eligible to be enrolled as a Dependent. The standard enrollment provision of the Plan applies to enrollees during continuation coverage. A Dependent, other than a newborn or newly adopted Child, acquired and enrolled after the original Qualifying Event, is not eligible as a Qualified Beneficiary if a subsequent Qualifying Event occurs.

COBRA NOTICE PROCEDURES

THE NOTICE(S) A COVERED PERSON MUST PROVIDE UNDER THIS SUMMARY PLAN DESCRIPTION

To be eligible to receive COBRA continuation coverage, covered Employees and their Dependents have certain obligations with respect to certain Qualifying Events (including divorce or legal separation of the Employee and spouse or a Dependent Child’s loss of eligibility for coverage as a Dependent) to provide written notices to the administrator. Follow the rules described in this procedure when providing notice to the administrators, either Your employer or the COBRA Administrator.

A Qualified Beneficiary’s written notice must include all of the following information: (A form to notify the COBRA Administrator is available upon request.)

- The Qualified Beneficiary’s name, their current address and complete phone number,
- The group number, name of the employer that the Employee was with,
- Description of the Qualifying Event (i.e., the life event experienced), and
- The date that the Qualifying Event occurred or will occur.

Send all notices or other information required to be provided by this Summary Plan Description in writing to:

**CITY OF CANTON
218 CLEVELAND AVE SW FL 2
CANTON OH 44706**

For purposes of the deadlines described in this Summary Plan Description, the notice must be postmarked by the deadline. In order to protect Your family's rights, the Plan Administrator should be informed of any changes in the addresses of family members. Keep a copy of any notices sent to the Plan Administrator or COBRA Administrator.

COBRA NOTICE REQUIREMENTS AND ELECTION PROCESS

EMPLOYER OBLIGATION TO PROVIDE NOTICE OF THE QUALIFYING EVENT

Your employer will give notice to the COBRA Administrator when coverage terminates due to Qualifying Events that are the Employee's termination of employment or reduction in hours, death of the Employee, or the Employee becoming entitled to Medicare benefits due to age or disability (Part A, Part B, or both). Your employer will notify the COBRA Administrator within 30 calendar days when these events occur.

EMPLOYEE OBLIGATION TO PROVIDE NOTICE OF THE QUALIFYING EVENT

The Covered Person must give notice to the Plan Administrator in the case of other Qualifying Events that are divorce or legal separation of the Employee and a spouse, a Dependent Child ceasing to be eligible for coverage under the Plan, or a second Qualifying Event. The covered Employee or Qualified Beneficiary must provide written notice to the Plan Administrator in order to ensure rights to COBRA continuation coverage. The Covered Person must provide this notice within the 60-calendar day period that begins on the latest of:

- The date of the Qualifying Event; or
- The date on which there is a Loss of Coverage (or would be a Loss of Coverage) due to the original Qualifying Event; or
- The date on which the Qualified Beneficiary is informed of this notice requirement by receiving this Summary Plan Description or the General COBRA Notice.

The Plan Administrator will notify the COBRA Administrator within 30 calendar days from the date that notice of the Qualifying Event has been provided.

The COBRA Administrator will, in turn, provide an election notice to each Qualified Beneficiary within 14 calendar days of receiving notice of a Qualifying Event from the employer, covered Employee or the Qualified Beneficiary.

MAKING AN ELECTION TO CONTINUE GROUP HEALTH COVERAGE

Each Qualified Beneficiary has the independent right to elect COBRA continuation coverage. A Qualified Beneficiary will receive a COBRA election form that must be completed to elect to continue group health coverage under this Plan. A Qualified Beneficiary may elect COBRA coverage at any time within the 60-day election period. The election period ends 60 calendar days after the later of:

- The date Plan coverage terminates due to a Qualifying Event; or
- The date the Plan Administrator provides the Qualified Beneficiary with an election notice.

A Qualified Beneficiary must notify the COBRA Administrator of their election in writing to continue group health coverage and must make the required payments when due in order to remain covered. If the Qualified Beneficiary does not choose COBRA continuation coverage within the 60-day election period, group health coverage will end on the day of the Qualifying Event.

PAYMENT OF CLAIMS AND DATE COVERAGE BEGINS

No claims will be paid under this Plan for services the Qualified Beneficiary receives on or after the date coverage is lost due to a Qualifying Event. If, however, the Qualified Beneficiary has not completed a waiver and decides to elect COBRA continuation coverage within the 60-day election period, group health coverage will be reinstated back to the date coverage was lost, provided that the Qualified Beneficiary makes the required payment when due. Any claims that were denied during the initial COBRA election period will be reprocessed once the COBRA Administrator receives the completed COBRA election form and required payment.

If a Qualified Beneficiary previously waived COBRA coverage but revokes that waiver within the 60-day election period, coverage will not be retroactive to the date of the Qualifying Event but instead will be effective on the date the waiver is revoked.

PAYMENT FOR CONTINUATION COVERAGE

Qualified Beneficiaries are required to pay the entire cost of continuation coverage, which includes both the employer and Employee contribution. This may also include a 2% additional fee to cover administrative expenses (or in the case of the 11-month extension due to disability, a 50% additional fee). Fees are subject to change at least once a year.

If Your employer offers annual open enrollment opportunities for active Employees, each Qualified Beneficiary will have the same options under COBRA (for example, the right to add or eliminate coverage for Dependents). The cost of continuation coverage will be adjusted accordingly.

The **initial payment** is due no later than 45 calendar days after the Qualified Beneficiary elects COBRA as evidenced by the postmark date on the envelope. This first payment must cover the cost of continuation coverage from the time coverage under the Plan would have otherwise terminated, up to the time the first payment is made. If the initial payment is not made within the 45-day period, then coverage will remain terminated without the possibility of reinstatement. There is no grace period for the initial payment.

The due date for **subsequent payments** is typically the first day of the month for any particular period of coverage, however the Qualified Beneficiary will receive specific payment information including due dates, when the Qualified Beneficiary becomes eligible for and elects COBRA continuation coverage.

If, for whatever reason, any Qualified Beneficiary receives any benefits under the Plan during a month for which the payment was not made on time, then the Qualified Beneficiary will be required to reimburse the Plan for the benefits received.

Note: Payment will not be considered made if a check is returned for non-sufficient funds.

A QUALIFIED BENEFICIARY'S NOTICE OBLIGATIONS WHILE ON COBRA

Always keep the COBRA Administrator informed of the current addresses of all Covered Persons who are or who may become Qualified Beneficiaries. Failure to provide this information to the COBRA Administrator may cause You or Your Dependents to lose important rights under COBRA.

In addition, after any of the following events occur, written notice to the COBRA Administrator is required within 30 calendar days of:

- The date any Qualified Beneficiary marries. Refer to the Special Enrollment section of this SPD for additional information regarding special enrollment rights.
- The date a Child is born to, adopted by, or Placed for Adoption by a Qualified Beneficiary. Refer to the Special Enrollment section of this SPD for additional information regarding special enrollment rights.

- The date of a final determination by the Social Security Administration that a disabled Qualified Beneficiary is no longer disabled.
- The date any Qualified Beneficiary becomes covered by another group health plan or enrolls in Medicare Part A or Part B.
- Additionally, if the COBRA Administrator or the Plan Administrator requests additional information from the Qualified Beneficiary, the Qualified Beneficiary must provide the requested information within 30 calendar days.

LENGTH OF CONTINUATION COVERAGE

COBRA coverage is available up to the maximum periods described below, subject to all COBRA regulations and the conditions of this Summary Plan Description:

- For Employees and Dependents. 18 months from the Qualifying Event if due to the Employee's termination of employment or reduction of work hours. (If an active Employee enrolls in Medicare before his or her termination of employment or reduction in hours, then the covered spouse and Dependent Children would be entitled to COBRA continuation coverage for up to the greater of 18 months from the Employee's termination of employment or reduction in hours, or 36 months from the earlier Medicare Enrollment Date, whether or not Medicare enrollment is a Qualifying Event.)
- For Dependents only. 36 months from the Qualifying Event if coverage is lost due to one of the following events:
 - Employee's death.
 - Employee's divorce or legal separation.
 - Former Employee becomes enrolled in Medicare.
 - A Dependent Child no longer being a Dependent as defined in the Plan.

THE RIGHT TO EXTEND THE LENGTH OF COBRA CONTINUATION COVERAGE

While on COBRA continuation coverage, certain Qualified Beneficiaries may have the right to extend continuation coverage provided that written notice to the COBRA Administrator is given as soon as possible but no later than the **required** timeframes stated below.

Social Security Disability Determination (For Employees and Dependents): A Qualified Beneficiary may be granted an 11-month extension to the initial 18-month COBRA continuation period, for a total maximum of 29 months of COBRA, in the event that the Social Security Administration determines the Qualified Beneficiary to be disabled either before becoming eligible for, or within the first 60 days of being covered by, COBRA continuation coverage. This extension will not apply if the original COBRA continuation was for 36 months.

If the Qualified Beneficiary has non-disabled family members who are also Qualifying Beneficiaries, those non-disabled family members are also entitled to the disability extension.

The Qualified Beneficiary must give the COBRA administrator a copy of the Social Security Administration letter of disability determination before the end of the initial 18-month period and within 60 days of the later of:

- The date of the SSA disability determination;
- The date the Qualifying Event occurs;
- The date the Qualified Beneficiary loses (or would lose) coverage due to the original Qualifying Event; or
- The date on which the Qualified Beneficiary is informed of the requirement to notify the COBRA Administrator of the disability by receiving this Summary Plan Description or the General COBRA Notice.

Note: Premiums may be higher after the initial 18-month period for persons exercising this disability extension provision available under COBRA.

If the Social Security Administration determines the Qualified Beneficiary is no longer disabled, the Qualified Beneficiary must notify the Plan of that fact within 30 days after the Social Security Administration's determination.

Second Qualifying Events: (Dependents Only) If Your family experiences another Qualifying Event while receiving 18 months of COBRA continuation coverage, the spouse and Dependent Children in Your family who are Qualified Beneficiaries can receive up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second event is provided to the COBRA Administrator. This additional coverage may be available to the spouse or Dependent Children who are Qualified Beneficiaries if the Employee or former Employee dies, becomes entitled to Medicare (Part A, Part B or both) or is divorced or legally separated, or if the Dependent Child stops being eligible under the Plan as a Dependent. This extension is available only if the Qualified Beneficiaries were covered under the Plan prior to the original Qualifying Event or in case of a newborn Child being added as a result of a HIPAA Special Enrollment right. A Dependent acquired during COBRA continuation (other than newborns and newly adopted Children) is not eligible to continue coverage as the result of a subsequent Qualifying Event. These events will only lead to the extension when the event would have caused the spouse or Dependent Child to lose coverage under the Plan had the first qualifying event not occurred.

You or Your Dependents must provide the notice of a second Qualifying Event to the COBRA Administrator within a 60-day period that begins to run on the latest of:

- The date of the second Qualifying Event; or
- The date the Qualified Beneficiary loses (or would lose) coverage due to the second Qualifying Event; or
- The date on which the Qualified Beneficiary is informed of the requirement to notify the COBRA Administrator of the second Qualifying Event by receiving this Summary Plan Description or the General COBRA Notice.

COVERAGE OPTIONS OTHER THAN COBRA CONTINUATION COVERAGE

There may be other coverage options for You and Your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

EARLY TERMINATION OF COBRA CONTINUATION

COBRA continuation coverage may terminate before the end of the above maximum coverage periods for any of the following reasons:

- The employer ceases to maintain a group health plan for any Employees. (Note that if the employer terminates the group health plan that the Qualified Beneficiary is under, but still maintains another group health plan for other similarly-situated Employees, the Qualified Beneficiary will be offered COBRA continuation coverage under the remaining group health plan, although benefits and costs may not be the same).
- The required contribution for the Qualified Beneficiary's coverage is not paid on time.
- After electing COBRA continuation coverage, the Qualified Beneficiary becomes entitled to and enrolled with Medicare.
- After electing COBRA continuation coverage, the Qualified Beneficiary becomes covered under another group health plan.

- The Qualified Beneficiary is found not to be disabled during the disability extension. The Plan will terminate the Qualified Beneficiary's COBRA continuation coverage one month after the Social Security Administration makes a determination that the Qualified Beneficiary is no longer disabled.
- Termination for cause, such as submitting fraudulent claims.

SPECIAL NOTICE (Read This If Thinking Of Declining COBRA Continuation Coverage)

At the time of a COBRA Qualifying Event, a Qualified Beneficiary has two primary options. The first is to waive his or her right to COBRA and make an election for coverage, whether group health coverage or insurance coverage through the individual market or the exchanges, in accordance with his or her HIPAA special enrollment rights. Please refer to the Special Enrollment section for further details. The second option is to elect COBRA continuation coverage. If COBRA continuation coverage is elected, the continuation coverage must be maintained (by paying the cost of the coverage) for the duration of the COBRA continuation period. If the continuation coverage is not exhausted and maintained for the duration of the COBRA continuation period, the Qualified Beneficiary will lose his or her special enrollment rights. It is important to note that losing HIPAA special enrollment rights may have adverse effects for the Qualified Beneficiary as it will make it difficult to obtain coverage, whether group health coverage or insurance coverage through the individual market or the exchange. After COBRA continuation coverage is exhausted, the Qualified Beneficiary will have the option of electing other group health coverage or insurance coverage through the individual market or the exchange, in accordance with his or her HIPAA special enrollment rights.

DEFINITIONS

Qualified Beneficiary means a person covered by this group health Plan immediately before the Qualifying Event who is the Employee, the spouse of a covered Employee or the Dependent Child of a covered Employee. This includes a Child who is born to or Placed for Adoption with a covered Employee during the Employee's COBRA coverage period if the Child is enrolled within the Plan's Special Enrollment Provision for newborns and adopted Children. This also includes a Child who was receiving benefits under this Plan pursuant to a Qualified Medical Child Support Order (QMCSO) immediately before the Qualifying Event.

Qualifying Event means Loss of Coverage due to one of the following:

- The death of the covered Employee.
- Voluntary or involuntary **termination** of the covered Employee's employment (other than for gross misconduct).
- A reduction in work hours of the covered Employee.
- Divorce or legal separation of the covered Employee from the Employee's spouse. (Also, if an Employee terminates coverage for his or her spouse in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the later divorce or legal separation may be considered a Qualifying Event even though the ex-spouse lost coverage earlier. If the ex-spouse notifies the Plan or the COBRA Administrator in writing within 60 calendar days after the divorce or legal separation and can establish that the coverage was originally eliminated in anticipation of the divorce or legal separation, then COBRA coverage may be available for the period after the divorce or legal separation).
- The covered former Employee becomes enrolled in Medicare.
- A Dependent Child no longer being a Dependent as defined by the Plan.

Loss of Coverage means any change in the terms or conditions of coverage in effect immediately before the Qualifying Event. Loss of Coverage includes change in coverage terms, change in plans, termination of coverage, partial Loss of Coverage, increase in Employee cost, as well as other changes that affect terms or conditions of coverage. Loss of Coverage does not always occur immediately after the Qualifying Event, but it must always occur within the applicable 18- or 36-month coverage period. A Loss of Coverage that is not caused by a Qualifying Event may not trigger COBRA.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT OF 1994

INTRODUCTION

Employers are required to offer COBRA-like health care continuation coverage to persons in the armed service if the absence for military duty would result in loss of coverage as a result of active duty. Employees on leave for military service must be treated like they are on leave of absence and are entitled to any other rights and benefits accorded to similarly situated Employees on leave of absence or furlough. If an employer has different types of benefits available depending on the type of leave of absence, the most favorable comparable leave benefits must apply to Employees on military leave. Reinstatement following the military leave of absence cannot be subject to Waiting Periods.

COVERAGE

The maximum length of health care continuation coverage required under USERRA is the lesser of:

- 24 months beginning on the day that the Uniformed Service leave begins, or
- a period beginning on the day that the Service leave begins and ending on the day after the Employee fails to return to or reapply for employment within the time allowed by USERRA.

USERRA NOTICE AND ELECTION

An Employee or an appropriate officer of the uniformed service in which his or her service is to be performed must notify the employer that the Employee intends to leave the employment position to perform service in the uniformed services. An Employee should provide notice as far in advance as is reasonable under the circumstances. The Employee is excused from giving notice due to military necessity, or if it is otherwise impossible or unreasonable under all the circumstances.

Upon notice of intent to leave for uniformed services, Employees will be given the opportunity to elect USERRA continuation. Dependents do not have an independent right to elect USERRA coverage. Election, payment and termination of the USERRA extension will be governed by the same requirements set forth under the COBRA Section, to the extent these COBRA requirements do not conflict with USERRA.

PAYMENT

If the military leave orders are for a period of 30 days or less, the Employee is not required to pay more than the amount he or she would have paid as an active Employee. For periods of 31 days or longer, if an Employee elects to continue health coverage pursuant to USERRA, such Employee and covered Dependents will be required to pay up to 102% of the full premium for the coverage elected.

EXTENDED COVERAGE RUNS CONCURRENT

Employees and their Dependents may be eligible for both COBRA and USERRA at the same time. Election of either the COBRA or USERRA extension by an Employee on leave for military service will be deemed an election under both laws, and the coverage offering the most benefit to the Employee will generally be extended. Coverage under both laws will run concurrently. Dependents who choose to independently elect extended coverage will only be deemed eligible for COBRA extension because they are not eligible for a separate, independent right of election under USERRA.

After the Plan has issued payment for covered health care services, the Plan may be required to pay the provider an additional amount or discount to resolve and settle the provider's balance bill.

PROVIDER NETWORK

Effective: 01-01-2022

The word "**Network**" means an outside organization that has contracted with various providers to provide health care services to Covered Persons at a Negotiated Rate. Providers who participate in a Network have agreed to accept the negotiated fees as payment in full, including any portion of the fees that the Covered Person must pay due to the Deductible, Participation amounts or other out-of-pocket expenses. The allowable charges used in the calculation of the payable benefit to participating providers will be determined by the Negotiated Rates in the network contract. A provider who does not participate in a Network may bill Covered Persons for additional fees over and above what the Plan pays.

Knowing which Network a provider belongs to will help a Covered Person to determine how much he or she will need to pay for certain services. To obtain the highest level of benefits under this Plan, Covered Persons need to see an In-Network provider, however this Plan does not limit a Covered Person's right to choose his or her own provider of medical care at his or her own expense if a medical expense is not a Covered Expense under this Plan, or is subject to a limitation or exclusion.

A provider may enter into an agreement to provide only certain covered health services, but not all covered health services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the covered health services and products included in the participation agreement, and a non-Network provider for other covered health services and products. The participation status of providers may change from time to time.

To find out which Network a provider belongs to, please refer to the Provider Directory, or call the toll-free number that is listed on the back of the Plan's identification card. The participation status of providers may change from time to time.

- If a provider belongs to one of the following Networks, claims for Covered Expenses will normally be processed in accordance with the **In-Network** benefit levels that are listed on the Schedule of Benefits:

UnitedHealthcare Choice Plus

- For services received from any other provider, claims for Covered Expenses will normally be processed in accordance with the **Out-of-Network** benefit levels that are listed on the Schedule of Benefits. These providers charge their normal rates for services, so Covered Persons may need to pay more. The Covered Person is responsible for paying the balance of these claims after the Plan pays its portion, if any.

The program for Transplant Services at Designated Transplant Facilities is:

OptumHealth

EXCEPTIONS TO THE PROVIDER NETWORK RATES

In addition to services required to be covered as specified under the Protection from Balance Billing section of this SPD, some benefits may be processed at In-Network benefit levels when provided by Out-of-Network providers. When Out-of-Network charges are covered in accordance with Network benefits, the charges may be subject to the Usual and Customary charge limitations. The following exceptions may apply:

- Non-air Ambulance transportation services will be payable at the In-Network level of benefits when provided by an Out-of-Network provider.
- Covered Services provided by a Physician during an Inpatient stay will be payable at the In-Network level of benefits when provided at an In-Network Hospital.

- If there is not an In-Network provider, or no In-Network provider is willing or able to provide the necessary service(s) to the Covered Person within a 75 mile radius of the Covered Person's residence, then the Out-of-Network charges will be processed as In-Network charges so long as the Covered Person provides appropriate documentation.
- Urgent Care services will be payable at the In-Network level of benefits when provided by an Out-of-Network provider.

Provider Directory Information

Each covered Employee, those on COBRA, and Children or guardians of Children who are considered alternate recipients under a Qualified Medical Child Support Order, will automatically be given or electronically made available, a separate document, at no cost, that lists the participating Network providers for this Plan. The Employee should share this document with other covered individuals in Your household. If a covered spouse or Dependent wants a separate provider list, they should make a written request to the Plan Administrator. The Plan Administrator may make a reasonable charge to cover the cost of furnishing complete copies to the spouse or other covered Dependents.

TRANSITIONAL CARE

Certain eligible expenses that would have been considered at the PPO benefit level by the prior Claims Administrator but which are not considered at the PPO benefit level by the current Claims Administrator may be paid at the applicable PPO benefit level if the Covered Person is currently under a treatment plan by a Physician who was a member of this Plan's previous PPO but who is not a member of the Plan's current PPO in the Employee or Dependent's network area. In order to ensure continuity of care for certain medical conditions already under treatment, the PPO medical plan benefit level may continue for 180 days for conditions approved as transitional care. Examples of medical conditions appropriate for consideration for transitional care include, but are not limited to:

- Cancer if under active treatment with chemotherapy and/or radiation therapy.
- Organ transplant patients if under active treatment (seeing a Physician on a regular basis, on a transplant waiting list, ready at any time for transplant).
- If the Covered Person is Inpatient in a Hospital on the effective date.
- Post acute Injury or Surgery within the past three months.
- Pregnancy in the second or third trimester and up to eight weeks postpartum.
- Behavioral Health – any previous treatment.

You or Your Dependent must call UMR within 2 weeks prior to the effective date or within 4 weeks after the effective date to see if You or Your Dependent are eligible for this benefit.

Routine procedures, treatment for stable chronic conditions, minor illnesses and elective surgical procedures will not be covered by transitional level benefits.

CONTINUITY OF CARE

You or Your Dependents have the option of requesting extended care from Your current health care provider or facility if the provider or facility is no longer working with Your health Plan and is no longer considered In-Network. Retiree-only plans are not subject to the Continuity of Care requirements.

The In-Network benefit level may continue for up to 90 days or until You no longer meet the criteria below, whichever is earlier, despite the fact that these expenses are no longer considered In-Network due to provider or facility termination from the Network. In order to be eligible, You or Your Dependents must have been, and must continue to be, under a treatment plan by a provider or facility who was a member of the participating Network. You must also be one of the following:

- An individual undergoing a course of treatment for a serious and complex condition that is either:
 - An acute illness, meaning a condition serious enough to require specialized medical care to avoid the reasonable possibility of death or permanent harm.

- A chronic illness or condition that is life-threatening, degenerative, potentially disabling, or congenital and requires specialized medical care over a prolonged period of time.
- An individual undergoing Inpatient or institutional care.
- An individual scheduled for non-elective surgical care, including necessary postoperative care.
- An individual who is pregnant and being treated.
- An individual who is terminally ill and receiving treatment for such illness by a provider or facility.

To obtain a Continuity of Care form that You and Your provider will need to complete for the request to be considered, call the number on the back of Your ID card or access the benefit portal.

COVERED MEDICAL BENEFITS

This Plan provides coverage for the following covered benefits if services are authorized by a Physician or other Qualified Provider, if applicable, and are necessary for the treatment of an Illness or Injury, subject to any limits, maximums, exclusions or other Plan provisions shown in this SPD. The Plan does not provide coverage for services if medical evidence shows that treatment is not expected to resolve, improve, or stabilize the Covered Person's condition, or if a plateau has been reached in terms of improvement from such services.

TRANSPLANT BENEFITS

Refer to the UMR CARE section of this SPD for prior authorization requirements

Effective: 01-01-2022

This coverage provides a choice for transplant care. Use of a Designated Transplant Facility provides incentives to You and Your covered Dependents. This coverage does not require that a Designated Transplant Facility be used in order to receive benefits, but it is preferred. A Designated Transplant Facility is a facility that must meet extensive criteria in the areas of patient outcomes to include patient and graft survival, patient satisfaction, Physician and program experience, program accreditations, and patient and caregiver education.

DEFINITIONS

The following terms are used for the purpose of the Transplant Benefits section of this SPD. Refer to the Glossary of Terms section of this SPD for additional definitions.

Approved Transplant Services means services and supplies for certified transplants when ordered by a Physician. Such services include, but are not limited to, Hospital charges, Physician charges, organ and tissue procurement, tissue typing and Ancillary Services.

Designated Transplant Facility means a facility which has agreed to provide Approved Transplant Services to Covered Persons pursuant to an agreement with a transplant provider network or rental network with which the Plan has a contract.

Non-Designated Transplant Facility means a facility that does not have an agreement with the transplant provider network with whom the Plan has a contract. This may include a facility that is listed as a participating provider.

Organ and Tissue Acquisition/Procurement means the harvesting, preparation, transportation and the storage of human organ and tissue which is transplanted to a Covered Person. This includes related medical expenses of a living donor.

Stem Cell Transplant includes autologous, allogeneic, and syngeneic transplant of bone marrow and peripheral and cord blood stem cells and may include chimeric antigen receptor T-cell therapy (CAR-T).

BENEFITS

The Plan will pay for Covered Expenses Incurred by a Covered Person at a Designated or Non-Designated Transplant Facility for an Illness or Injury, subject to any Deductibles, Plan Participation amounts, maximums or limits shown on the Schedule of Benefits. Benefits are based on the Reasonable Reimbursement, the Usual and Customary charge or the Plan's Negotiated Rate.

It will be the Covered Person's responsibility to obtain prior authorization for all transplant related services. If prior authorization is not obtained, benefits may not be payable for such services. Benefits may also be subject to reduced levels as outlined in individual Plan provisions. The approved transplant and medical criteria for such transplant must be Medically Necessary for the medical condition for which the transplant is recommended. The medical condition must not be included on individual Plan exclusions.

COVERED EXPENSES

The Plan will pay for Approved Transplant Services at a Designated or Non-Designated Transplant Facility for Organ and Tissue Acquisition/Procurement and transplantation, if a Covered Person is the recipient.

If a Covered Person requires a transplant, including bone marrow or Stem Cell Transplant, the cost of Organ and Tissue Acquisition/Procurement from a living human or cadaver will be included as part of the Covered Person's Covered Expenses when the donor's own plan does not provide coverage for Organ and Tissue Acquisition/Procurement. This includes the cost of donor testing, blood typing and evaluation to determine if the donor is a suitable match.

The Plan will provide donor services for donor related complications during the transplant period, as per the transplant contract, if the recipient is a Covered Person under this Plan.

The Plan will provide donor services at a Non-Designated Facility for initial acquisition/procurement only, up to the maximum listed on the Schedule of Benefits, if any. Complications, side effects or injuries are not covered unless the donor is a Covered Person on the Plan.

Benefits are payable for the following transplants:

- Kidney.
- Kidney/Pancreas.
- Pancreas, which meets the criteria as determined by care management.
- Liver.
- Heart.
- Heart/Lung.
- Lung.
- Bone Marrow or Stem Cell transplant (allogeneic and autologous) for certain conditions.

SECOND OPINION

The Plan will notify the Covered Person if a second opinion is required at any time during the determination of benefits period. If a Covered Person is denied a transplant procedure by transplant facility, the Plan will allow them to go to a second Designated Transplant Facility for evaluation. If the second facility determines, for any reason, that the Covered Person is an unacceptable candidate for the transplant procedure, benefits will not be paid for further transplant related services and supplies, even if a third Designated Transplant Facility accepts the Covered Person for the procedure.

PRESCRIPTION DRUG BENEFITS

Administered by **OptumRx - Direct**

Note: UMR (the claims administrator) does not administer the benefits or services described within this provision. Please contact the benefit manager or Your employer with any questions related to this coverage or service.

Note: The Medicare Prescription Drug Improvement and Modernization Act of 2003 provides all Medicare-eligible individuals the opportunity to obtain Prescription Drug coverage through Medicare. A Medicare-eligible individual generally must pay an additional monthly premium for this coverage. In addition, electing Medicare Part D may affect Your ability to obtain Prescription coverage under this Plan. Individuals may be able to postpone enrollment in the Medicare Prescription Drug coverage if their current drug coverage is at least as good as Medicare Prescription Drug coverage. If individuals decline Medicare Prescription Drug coverage and do not have coverage at least as good as Medicare Prescription Drug coverage, they may have to pay additional monthly penalties if they change their minds and sign up later. Medicare-eligible individuals should have received notices informing them of whether or not their current Prescription Drug coverage provides benefits that are at least as good as benefits provided by the Medicare Prescription Drug coverage and explaining whether or not election of Medicare Part D will affect coverage available under this Plan. For a copy of this notice, please contact the Plan Administrator.

Covered Drugs

Your Prescription Drug benefit provides coverage for most commonly used drugs that are Federal Legend Drugs. Federal Legend Drugs are drugs that require a label stating, "Caution: Federal law prohibits dispensing without a Prescription." Your pharmacist or the prescribing Physician can verify coverage for a drug by contacting the Pharmacy Benefit Manager (PBM) at the number on Your Prescription ID card. A complete list of covered and excluded drugs may be available on the Pharmacy Benefit Manager's website. If You are unable to access the website, Your employer will provide a copy upon request at no charge.

How to Use the Prescription Drug Card

Present Your ID card and the Prescription to a Participating Pharmacy. Then sign the pharmacist's voucher and pay the pharmacist the appropriate Co-pay amount, if applicable.

If You are without Your prescription ID card or if You are at a non-Participating Pharmacy, You may be required to pay for the Prescription and submit a claim to the PBM. Please contact the PBM or Your employer for information on how to submit a claim.

Home Delivery Drug Service

If You are using an ongoing Prescription drug, You may purchase that drug on a home delivery basis. Most drugs covered by the PBM may be purchased through the home delivery service. The home delivery drug service is most often used to purchase drugs that treat an ongoing medical condition and are taken on a regular basis.

There may be a Co-pay for home delivery Prescriptions.

Home delivery Prescriptions should be sent to the PBM. Order forms may be available on the PBM's website or from Your employer. All Prescriptions will be mailed directly to Your home.

A directory of Participating Pharmacies is available on the PBM's website. You will also be automatically provided a copy of the pharmacy directory at no charge. The pharmacy directory is a document that is separate from this SPD. The directory contains the names, addresses, and phone numbers of the pharmacies that are part of the PBM's program.

UMR CARE: CLINICAL ADVOCACY RELATIONSHIPS TO EMPOWER

Utilization Management

Utilization Management is the process of evaluating whether services, supplies, or treatment is Medically Necessary and the appropriate level of care. Utilization Management can determine Medical Necessity, shorten Hospital stays, improve the quality of care, and reduce costs to the Covered Person and the Plan. The Utilization Management procedures include certain Prior Authorization requirements.

The benefit amounts payable under the Schedule of Benefits of this SPD may be affected if the requirements described for Utilization Management are not satisfied. Covered Persons are responsible for ensuring the provider calls the phone number on the back of the Plan identification card to request Prior Authorization at least two weeks prior to a scheduled procedure in order to allow for fact-gathering and independent medical review, if necessary.

Special Notes: The Covered Person will not be penalized for failure to obtain Prior Authorization if a Prudent Layperson, who possesses an average knowledge of health and medicine, could reasonably expect that the absence of immediate medical attention would jeopardize the life or long-term health of the individual. Covered Persons who have received care on this basis are responsible for ensuring the provider contacts the Utilization Review Organization (see below) as soon as possible by phone or fax within 24 hours, or by the next business day if on a weekend or holiday, from the time coverage information is known. If notice is provided past the timeframe shown above, the extenuating circumstances must be communicated. The Utilization Review Organization will then review the services provided.

This Plan complies with the Newborns' and Mothers' Health Protection Act. Prior Authorization is not required for a Hospital or Birthing Center stay of 48 hours or less following a normal vaginal delivery or 96 hours or less following a Cesarean section. Prior Authorization may be required for a stay beyond 48 hours following a vaginal delivery or 96 hours following a Cesarean section.

UTILIZATION REVIEW ORGANIZATION

The Utilization Review Organization is: **UMR**

DEFINITIONS

The following terms are used for the purpose of the UMR CARE section of this SPD. Refer to the Glossary of Terms section of this SPD for additional definitions.

Prior Authorization is the process of determining benefit coverage prior to a service being rendered to an individual member. A determination is made based on Medical Necessity criteria for drugs, supplies, tests, procedures, and other services that are appropriate and cost-effective for the member. This member-centric review evaluates the clinical appropriateness of requested services in terms of the type, frequency, extent, and duration of stay.

Utilization Management is the evaluation of the Medical Necessity, appropriateness, and efficiency of the use of health care services, procedures, and facilities under the provisions of the applicable health benefits Plan. This management is sometimes called "utilization review." Such assessment may be conducted on a prospective basis (prior to treatment), concurrent basis (during treatment), or retrospective basis (following treatment).

SERVICES REQUIRING PRIOR AUTHORIZATION

Call the Utilization Review Organization **before** receiving services for the following:

- Inpatient stays in Hospitals, Extended Care Facilities, or residential treatment facilities.
- Organ and tissue transplants.
- Home Health Care.
- Durable Medical Equipment, excluding braces and orthotics, over \$1,500 or Durable Medical Equipment rentals over \$500 per month.
- Prosthetics over \$1,000.
- Qualifying Clinical Trials.
- Inpatient stays in Hospitals or Birthing Centers that are longer than 48 hours following normal vaginal deliveries or 96 hours following Cesarean sections.

Note that if a Covered Person receives Prior Authorization for one facility, but then is transferred to another facility, Prior Authorization is also needed before going to the new facility, except in the case of an Emergency (see Special Notes above).

The phone number to call for Prior Authorization is listed on the back of the Plan identification card.

The fact that a Covered Person receives Prior Authorization from the Utilization Review Organization does not guarantee that this Plan will pay for the medical care. The Covered Person must be eligible for coverage on the date services are provided. Coverage is also subject to all provisions described in this SPD, including additional information obtained that was not available at the time of the Prior Authorization.

Medical Director Oversight. A UMR CARE medical director oversees the concurrent review process. Should a case have unique circumstances that raise questions for the Utilization Management specialist handling the case, the medical director will review the case to determine Medical Necessity using evidence-based clinical criteria.

Referrals. During the Prior Authorization review process, cases are analyzed for a number of criteria used to trigger case-to-case management for review. Opportunities are identified by using system-integrated, automated, and manual trigger lists during the Prior Authorization review process. Other trigger points include the following criteria: length of stay, level of care, readmission, and utilization, as well as employer referrals or self-referrals.

Our goal is to intervene in the process as early as possible to determine the resources necessary to deliver clinical care in the most appropriate care setting.

Retrospective Review. Retrospective review is conducted upon request and a determination will be issued within the required timeframe of the request, unless an extension is approved. Retrospective reviews are performed according to our standard Prior Authorization policies and procedures and a final determination will be made no later than 30 days after the request for review.

Complex Condition CARE

Complex Condition CARE is available to all Covered Persons. CARE nurse managers evaluate and coordinate post-hospitalization needs for members who have a high probability of subsequent readmission within 30 days. Participants are identified based on historical claim factors and current admission information, including, but not limited to:

- unplanned readmission within the past 30 days or multiple unplanned admissions within the past 6 months.
- length of stay.

- complex diagnoses or comorbidities pertaining to cardiovascular conditions, kidney failure, pulmonary conditions or infections, or liver/pancreas/gastrointestinal surgery.
- management of catastrophic and complex behavioral health and substance use disorders and support for identified members utilizing Inpatient/rehabilitation/residential facilities.

Ongoing Condition CARE

Ongoing Condition CARE identifies those individuals who have certain ongoing conditions and would benefit from this program. Specially trained CARE nurses work telephonically with Covered Persons to help close gaps in care and improve self-management of their condition(s). High-risk program participants are identified through predictive modeling. Our unique approach to Ongoing Condition CARE identifies individuals with one of the following 22 targeted conditions:

- Neuromuscular / Autoimmune Disorders: ALS, Multiple Sclerosis, Myasthenia Gravis, Rheumatoid Arthritis
- Cardiovascular Disorders: Hypertension, Heart Failure, Coronary Artery Disease
- Respiratory Disorders: Asthma, COPD
- Behavioral Health Disorders: Depression and General Anxiety Disorder (GAD is a comorbidity)
- Blood Disorders: HIV, Hepatitis C, Sickle Cell Anemia
- Gastrointestinal Disorders: Ulcerative Colitis, Crohn's Disease
- Oncology: Breast, Prostate, Colorectal, Lung
- Endocrine Disorders: Diabetes (type 1 and type 2)
- Genitourinary Disorders: Chronic Kidney Disease (CKD)

In addition, UMR Ongoing Condition CARE provides HealthNotes. These targeted mailings are sent to Covered Persons' homes and their health care providers via U.S. mail. They identify chronic condition gaps in care and include information on ways to prevent long-term issues and avoid health care costs. Opportunities or gaps in care are identified through medical and/or pharmacy data.

HealthNotes provides useful, personalized information based on an individual Covered Person's health care utilization, including information on provider visits, Prescriptions, and health screenings.

Maternity CARE

Maternity CARE provides pre-pregnancy education and high-risk pregnancy identification to help mothers carry their babies to term. This program increases the number of healthy, full-term deliveries and decreases the cost of long-term hospital stays for both mothers and babies. Program members are contacted by CARE nurses at least once each trimester and once postpartum. This program also offers an educational call and materials specifically to assist the participant's support person.

UMR's pre-pregnancy support program helps women learn about risks and take action to prevent serious and costly medical complications before they become pregnant. Women with pre-existing health conditions, such as diabetes and high blood pressure, face risks not only to their babies, but also to themselves while they are pregnant.

Members self-enroll in the Maternity CARE program by calling our toll-free number or enrolling online at www.umar.com. They are then contacted by CARE nurses who have extensive clinical backgrounds in obstetrics/gynecology.

Plans may choose to utilize UMR's standard incentive, which is a prepaid reward card to each member who enrolls in the first or second trimester and actively participates in the Maternity CARE program.

NurseLine/Nurse Chat

NurseLine is a health information line that is available 24 hours per day, 7 days per week, that assists Covered Persons with medical-related questions and concerns. NurseLine gives Covered Persons access to highly trained registered nurses so they can receive guidance and support when making decisions about their health and/or the health of their Dependents.

Nurse Chat is an online source of health and wellness information that is available 24 hours per day, 7 days per week. Covered Persons have one-on-one secure, real-time access to registered nurses through the Health Center on www.umar.com. These nurses provide information on a variety of health and wellness topics. Note: Triage is not part of the Nurse Chat experience. If a Covered Person needs triage assistance, Nurse Chat refers the Covered Person to NurseLine.

Wellness CARE

Components of Wellness CARE are as follows:

Clinical Health Risk Assessment (CHRA): Program participants are asked general questions related to medical history and lifestyle habits, such as physical activity, stress management, tobacco and nicotine usage, nutrition, and weight management. Participants are also asked about existing medical conditions, including arthritis, asthma, back pain, chronic obstructive pulmonary disease (COPD), diabetes, heart disease, heart failure, hypertension, and depression. The CHRA includes questions to help the CARE programs assess the impact of the condition on the participant's daily life and the participant's ability to self-manage the condition. Each participant has access to a CHRA member report and is encouraged to share this report with his or her health care provider and discuss the risk areas.

CENTERS OF EXCELLENCE

Kidney Resource Services (KRS)

Kidney Resource Services (KRS) provides access to a preferred provider dialysis network and support from a UMR CARE Nurse Manager by collaborating with the Covered Person to delay the progression of the disease to renal failure.

UMR CARE End-Stage Renal Disease (ESRD) specialty nurses focus on clinical support and treatments.

If a Covered Person chooses to seek services at a KRS preferred provider, the Covered Person must contact UMR CARE at 866-494-4502.

COORDINATION OF BENEFITS

Coordination of Benefits (COB) applies whenever a Covered Person has health coverage under more than one Plan, as defined below. **It does not however, apply to Prescription benefits.** The purpose of coordinating benefits is to help Covered Persons pay for Covered Expenses, but not to result in total benefits that are greater than the Covered Expenses Incurred.

The order of benefit determination rules determine which plan will pay first (which is the Primary Plan). The Primary Plan pays without regard to the possibility that another plan may cover some expenses. A Secondary Plan pays for Covered Expenses after the Primary Plan has processed the claim, and will reduce the benefits it pays so that the total payment between the Primary Plan and the Secondary Plan does not exceed the Covered Expenses Incurred. If the covered benefit under this Plan is less than or equal to the Primary Plan's payment, then no payment is made by this Plan.

The Plan will coordinate benefits with the following types of medical or dental plans:

- Group health plans, whether insured or self-insured.
- Hospital indemnity benefits in excess of \$200 per day.
- Specified disease policies.
- Foreign health care coverage.
- Medical care components of group long-term care contracts such as skilled nursing care.
- Medical benefits under group or individual motor vehicle policies. See order of benefit determination rules (below) and General Exclusions - no-fault state for details.
- Medical benefits under homeowner's insurance policies.
- Medicare or other governmental benefits, as permitted by law. See below. This does not include Medicaid.
- This Plan does not, however, coordinate benefits with individual health or dental plans.

Each contract for coverage is considered a separate plan. If a plan has two parts and COB rules apply to only one of the two parts, each of the parts is treated as a separate plan. If a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be considered an allowable expense and a benefit paid.

When this Plan is secondary, and when not in conflict with a network contract requiring otherwise, covered charges shall not include any amount that is not payable under the primary plan as a result of a contract between the primary plan and a provider of service in which such provider agrees to accept a reduced payment and not to bill the Covered Person for the difference between the provider's contracted amount and the provider's regular billed charge.

ORDER OF BENEFIT DETERMINATION RULES

- The first of the following rules that apply to a Covered Person's situation is the rule to use:
- The plan that has no coordination of benefits provision is considered primary.
- When medical payments are available under motor vehicle insurance (including no-fault policies), this Plan shall always be considered secondary regardless of the individual's election under PIP (Personal Injury Protection) coverage with the auto carrier. See General Exclusions – no-fault state in this SPD for more details.
- Where an individual is covered under one plan as a Dependent and another plan as an Employee, member or subscriber, the plan that covers the person as an Employee, member or subscriber (that is, other than as a Dependent) is considered primary. The Primary Plan must pay benefits without regard to the possibility that another plan may cover some expenses. This Plan will deem any Employee plan beneficiary to be eligible for primary benefits from their employer's benefit plan.

- The plan that covers a person as a Dependent is generally secondary. The plan that covers a person as a Dependent is primary only when both plans agree that COBRA or state continuation coverage should always pay secondary when the person who elected COBRA is covered by another plan as a Dependent (see continuation coverage below). (Also see the section on Medicare, below, for exceptions).
- When an individual is covered under a spouse's Plan and also under his or her parent's plan, the Primary Plan is the plan of the individual's spouse. The plan of the individual's parent(s) is the Secondary Plan.
- If one or more plans cover the same person as a Dependent Child:
 - The Primary Plan is the plan of the parent whose birthday is earlier in the year if:
 - The parents are married; or
 - The parents are not separated (whether or not they have been married); or
 - A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.
 - If both parents have the same birthday, the plan that covered either of the parents longer is primary.
 - If the specific terms of a court decree state that one of the parents is responsible for the Child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods or plan years starting after the plan is given notice of the court decree.
 - If the parents are not married and reside separately, or are divorced or legally separated, the order of benefits is:
 - The plan of the custodial parent;
 - The plan of the spouse of the custodial parent;
 - The plan of the non-custodial parent; and then
 - The plan of the spouse of the non-custodial parent.
- Active or Inactive Employee: If an individual is covered under one plan as an active employee (or Dependent of an active employee), and is also covered under another plan as a retired or laid off employee (or Dependent of a retired or laid off employee), the plan that covers the person as an active employee (or Dependent of an active employee) will be primary. This rule does not apply if the rule in paragraph 3 (above) can determine the order of benefits. If the other plan does not have this rule, this rule is ignored.
- Continuation coverage under COBRA or state law: If a person has elected continuation of coverage under COBRA or state law and also has coverage under another plan, the continuation coverage is secondary. This is true even if the person is enrolled in another plan as a Dependent. If the two plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if one of the first four bullets above applies. (See exception in the Medicare section.)
- Longer or Shorter Length of Coverage: The plan that covered the person as an employee, member, subscriber or retiree longer is primary.
- If an active employee is on leave due to active duty in the military in excess of 30 days, the plan that covers the person as an active employee, member, or subscriber is considered primary.
- If the above rules do not determine the Primary Plan, the Covered Expenses can be shared equally between the plans. This Plan will not pay more than it would have paid, had it been primary.

MEDICARE

If You or Your covered spouse or Dependent is also receiving benefits under Medicare, including Medicare Prescription drug coverage, federal law may require this Plan to be primary over Medicare. When this Plan is not primary, the Plan will coordinate benefits with Medicare.

The order of benefit determination rules determine which plan will pay first (which is the Primary Plan). The Primary Plan pays without regard to the possibility that another plan may cover some expenses. A Secondary Plan pays for Covered Expenses after the Primary Plan has processed the claim, and will reduce the benefits it pays so that the total payment between the Primary Plan and the Secondary Plan does not exceed the Covered Expenses Incurred. If the covered benefit under this Plan is less than or equal to the Primary Plan's payment, then no payment is made by this Plan.

When this Plan is not Primary and a Covered Person is receiving Part A Medicare but has chosen not to elect Part B, this Plan will reduce its payments on Part B services as though Part B Medicare was actually in effect.

ORDER OF BENEFIT DETERMINATION RULES FOR MEDICARE

This Plan complies with the Medicare Secondary Payer regulations. Examples of these regulations are as follows:

- This Plan generally pays first under the following circumstances:
 - You continue to be actively employed by the employer and You or Your covered spouse becomes eligible for and enrolls in Medicare because of age or disability.
 - You continue to be actively employed by the employer, Your covered spouse becomes eligible for and enrolls in Medicare, and is also covered under a retiree plan through Your spouse's former employer. In this case, this Plan will be primary for You and Your covered spouse, Medicare pays second, and the retiree plan would pay last.
 - For a Covered Person with End-Stage Renal Disease (ESRD), this Plan usually has primary responsibility for the claims of a Covered Person for 30 months from the date of Medicare eligibility based on ESRD. The 30-month period can also include COBRA continuation coverage or another source of coverage. At the end of the 30 months, Medicare becomes the primary payer.
- Medicare generally pays first under the following circumstances:
 - You are no longer actively employed by an employer; and
 - You or Your spouse has Medicare coverage due to age, plus You or Your spouse also have COBRA continuation coverage through the Plan; or
 - You or a covered family member has Medicare coverage based on a disability, plus You also have COBRA continuation coverage through the Plan. Medicare normally pays first, however an exception is that COBRA may pay first for Covered Persons with ESRD until the end of the 30-month period; or
 - You or Your covered spouse have retiree coverage plus Medicare coverage; or
 - Upon completion of 30 months of Medicare eligibility for an individual with ESRD, Medicare becomes the primary payer. (Note that if a person with ESRD was eligible for Medicare based on age or other disability **before** being diagnosed with ESRD and Medicare was previously paying primary, then the person can continue to receive Medicare benefits on a primary basis)

- Medicare is the secondary payer when no-fault insurance, worker's compensation, or liability insurance is available as primary payer.

Note: If a Covered Person is eligible for Medicare as the primary plan, all benefits from this Plan will be reduced by the amount Medicare would pay, regardless of whether the Covered Person is enrolled in Medicare.

TRICARE

If an eligible Employee is on active military duty, TRICARE is the only coverage available to that Employee. Benefits are not coordinated with the Employee's health insurance plan.

In all instances where an eligible Employee is also a TRICARE beneficiary, TRICARE will pay secondary to this employer-provided Plan.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. The Plan may obtain the information it needs from or provide such information to other organizations or persons for the purpose of applying those rules and determining benefits payable under this Plan and other plans covering the person claiming benefits. The Plan need not tell, or obtain the consent of, any person to do this. However, if the Plan needs assistance in obtaining the necessary information, each person claiming benefits under this Plan must provide the Plan any information it needs to apply those rules and determine benefits payable.

REIMBURSEMENT TO THIRD PARTY ORGANIZATION

A payment made under another plan may include an amount which should have been paid under this Plan. If it does, the Plan may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under this Plan. The Plan will not have to pay that amount again.

RIGHT OF RECOVERY

If the amount of the payments made by the Plan is more than it should have paid under this COB provision, the Plan may recover the excess from one or more of the persons it paid or for whom the Plan has paid; or any other person or organization that may be responsible for the benefits or services provided for the Covered Person.

RIGHT OF SUBROGATION, REIMBURSEMENT AND OFFSET

The Plan has a right to subrogation and reimbursement. References to “You” or “Your” in this Right of Subrogation, Reimbursement, and Offset section include You, Your estate, Your heirs, and Your beneficiaries unless otherwise stated.

Subrogation applies when the Plan has paid benefits on Your behalf for an Illness or Injury for which any third party is allegedly responsible. The right to subrogation means that the Plan is substituted to and will succeed to any and all legal claims that You may be entitled to pursue against any third party for the benefits that the Plan has paid that are related to the Illness or Injury for which any third party is considered responsible.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for an Illness or Injury for which You receive a settlement, judgment, or other recovery from any third party, You must use those proceeds to fully return to the Plan 100% of any benefits You receive for that Illness or Injury. The right of reimbursement will apply to any benefits received at any time until the rights are extinguished, resolved, or waived in writing.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused You to suffer an Illness, Injury, or damages, or who is legally responsible for the Illness, Injury, or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Illness, Injury, or damages.
- The Plan Sponsor in a Workers’ Compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide benefits or payments to You, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners’, or otherwise), Workers’ Compensation coverage, other insurance carriers, or third party administrators.
- Any person or entity against whom You may have any claim for professional and/or legal malpractice arising out of or connected to an Illness or Injury You allege or could have alleged were the responsibility of any third party.
- Any person or entity that is liable for payment to You on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting the Plan’s legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
 - Notifying the Plan, in writing, of any potential legal claim(s) You may have against any third party for acts that caused benefits to be paid or become payable.
 - Providing any relevant information requested by the Plan.
 - Signing and/or delivering such documents as the Plan or our agents reasonably request to secure the subrogation and reimbursement claim.
 - Responding to requests for information about any accident or Injuries.
 - Making court appearances.
 - Obtaining our consent or our agents’ consent before releasing any party from liability or payment of medical expenses.
 - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate or deny future benefits, take legal action against You, and/or set off from any future benefits the value of benefits the Plan has paid relating to any Illness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to You or Your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by You or Your representative, the Plan has the right to recover those fees and costs from You. You will also be required to pay interest on any amounts You hold that should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against a third party before You receive payment from that third party. Further, our first priority right to payment is superior to any and all claims, debts, or liens asserted by any medical providers, including, but not limited to, Hospitals or Emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to You, Your representative, Your estate, Your heirs, or Your beneficiaries, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium, and punitive damages. The Plan is not required to help You to pursue Your claim for damages or personal Injuries and no amount of associated costs, including attorneys' fees, will be deducted from our recovery without the Plan's express written consent. No so-called "fund doctrine" or "common-fund doctrine" or "attorney's fund doctrine" will defeat this right.
- Regardless of whether You have been fully compensated or made whole, the Plan may collect from You the proceeds of any full or partial recovery that You or Your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "made-whole doctrine" or "make-whole doctrine," claim of unjust enrichment, nor any other equitable limitation will limit our subrogation and reimbursement rights.
- Benefits paid by the Plan may also be considered to be benefits advanced.
- If You receive any payment from any party as a result of Illness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, You and/or Your representative will hold those funds in trust, either in a separate bank account in Your name or in Your representative's trust account.
- By participating in and accepting benefits from the Plan, You agree that:
 - Any amounts recovered by You from any third party constitute Plan assets (to the extent of the amount of Plan benefits provided on behalf of the Covered Person);
 - You and Your representative will be fiduciaries of the Plan with respect to such amounts; and
 - You will be liable for and agree to pay any costs and fees (including reasonable attorneys' fees) Incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to Your own negligence.
- Upon the Plan's request, You will assign to the Plan all rights of recovery against third parties, to the extent of the Covered Expenses the Plan has paid for the Illness or Injury.
- The Plan may, at its option, take necessary and appropriate action to preserve the Plan's rights under these provisions, including, but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative, or other third party; and filing suit in Your name or Your estate's name, which does not obligate the Plan in any way to pay You part of any recovery the Plan might obtain.

- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the case of Your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to Your estate, the personal representative of Your estate, and Your heirs or beneficiaries. In the case of Your death, the Plan's right of reimbursement and right of subrogation will apply if a claim can be brought on behalf of You or Your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.
- No allocation of damages, settlement funds, or any other recovery, by You, Your estate, the personal representative of Your estate, Your heirs, Your beneficiaries, or any other person or party will be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent Child who incurs an Illness or Injury caused by any third party. If a parent or guardian may bring a claim for damages arising out of a minor's Illness or Injury, the terms of this subrogation and reimbursement clause will apply to that claim.
- If any third party causes or is alleged to have caused You to suffer an Illness or Injury while You are covered under this Plan, the provisions of this section continue to apply, even after You are no longer covered.
- In the event that You do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate benefits to You, Your Dependents, or the subscriber; deny future benefits; take legal action against You; and/or set off from any future benefits the value of benefits the Plan has paid relating to any Illness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to Your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by You or Your representative, the Plan has the right to recover those fees and costs from You. You will also be required to pay interest on any amounts You hold that should have been returned to the Plan.
- The Plan and all administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

CLAIMS AND APPEAL PROCEDURES

REASONABLE AND CONSISTENT CLAIMS PROCEDURES

The Plan's claims procedures are designed to ensure and verify that claim determinations are made in accordance with the Plan documents. The Plan provisions will be applied consistently with respect to similarly situated individuals.

Pre-Determination

A Pre-Determination is a determination of benefits by the Claims Administrator, on behalf of the Plan, prior to services being provided. Although not required by the Plan, a Covered Person or provider may voluntarily request a Pre-Determination. A Pre-Determination informs individuals whether, and under which circumstances, a procedure or service is generally a covered benefit under the Plan. Covered Persons or providers may wish to request a Pre-Determination before incurring medical expenses. A Pre-Determination is not a claim and therefore cannot be appealed. A Pre-Determination that a procedure or service may be covered under the Plan does not guarantee the Plan will ultimately pay the claim. All Plan terms and conditions will still be applied when determining whether a claim is payable under the Plan.

TYPE OF CLAIMS AND DEFINITIONS

- **Pre-Service Claim needing prior authorization as required by the Plan and stated in this SPD.** This is a claim for a benefit where the Covered Person is required to get approval from the Plan **before** obtaining the medical care such as in the case of prior authorization of health care items or service that the Plan requires. If a Covered Person or provider calls the Plan just to find out if a claim will be covered, that is not a Pre-Service Claim, unless the Plan and this SPD specifically require the person to call for prior authorization (See Pre-Determination above). Giving prior authorization does not guarantee that the Plan will ultimately pay the claim.

Note that this Plan does not require prior authorization for urgent or Emergency care claims, however Covered Persons may be required to notify the Plan following stabilization. Please refer to the UMR CARE section of this SPD for more details. A condition is considered to be an urgent or Emergency care situation when a sudden and serious condition such that a Prudent Layperson could expect the patient's life would be jeopardized, the patient would suffer severe pain, or serious impairment of his or her bodily functions would result unless immediate medical care is rendered. Examples of an urgent or Emergency care situation may include, but are not limited to: chest pain; hemorrhaging; syncope; fever equal to or greater than 103° F; presence of a foreign body in the throat, eye, or internal cavity; or a severe allergic reaction.

- **Post-Service Claim** means a claim that involves payment for the cost of health care that has already been provided.
- **Concurrent Care Claim** means that an ongoing course of treatment to be provided over a period of time or for a specified number of treatments has been approved by the Plan.

PERSONAL REPRESENTATIVE

Personal Representative means a person (or provider) who can contact the Plan on the Covered Person's behalf to help with claims, appeals or other benefit issues. Minor Dependents must have the signature of a parent or Legal Guardian in order to appoint a third party as a Personal Representative.

If a Covered Person chooses to use a Personal Representative, the Covered Person must submit proper documentation to the Plan stating the following: The name of the Personal Representative, the date and duration of the appointment and any other pertinent information. In addition, the Covered Person must agree to grant their Personal Representative access to their Protected Health Information. The Covered Person should contact the Claim Administrator to obtain the proper forms. All forms must be signed by the Covered Person in order to be considered official.

PROCEDURES FOR SUBMITTING CLAIMS

Most providers will accept assignment and coordinate payment directly with the Plan on the Covered Person's behalf. If the provider will not accept assignment or coordinate payment directly with the Plan, then the Covered Person will need to send the claim to the Plan within the timelines discussed below in order to receive reimbursement. The address for submitting medical claims is on the back of the group health identification card.

Covered Persons who receive services in a country other than the United States are responsible for ensuring the provider is paid. If the provider will not coordinate payment directly with the Plan, the Covered Person will need to pay the claim up front and then submit the claim to the Plan for reimbursement. The Plan will reimburse Covered Persons for any covered amount in U.S. currency. The reimbursed amount will be based on the U.S. equivalency rate that is in effect on the date the Covered Person paid the claim, or on the date of service if paid date is not known.

A complete claim must be submitted in writing and should include the following information:

- Covered Person/patient ID number, name, sex, date of birth, Social Security number, address, and relationship to Employee
- Authorized signature from the Covered Person
- Diagnosis
- Date of service
- Place of service
- Procedures, services or supplies (narrative description)
- Charges for each listed service
- Number of days or units
- Patient account number (if applicable)
- Total billed charges
- Provider billing name, address, telephone number
- Provider Taxpayer Identification Number (TIN)
- Signature of provider
- Billing provider
- Any information on other insurance (if applicable)
- Whether the patient's condition is related to employment, auto accident, or other accident (if applicable)
- Assignment of benefits (if applicable)

TIMELY FILING

Covered Persons are responsible for ensuring that complete claims are submitted to the Third Party Administrator as soon as possible after services are received, but no later than 24 months from the date of service. Where Medicare or Medicaid paid as primary in error, the timely filing requirement may be increased to three years from the date of service. A Veteran's Administration Hospital has six years from the date of service to submit the claim. A complete claim means that the Plan has all information that is necessary to process the claim. Claims received after the timely filing period will not be allowed.

Effective: 01-01-2022

INCORRECTLY FILED CLAIMS (Applies to Pre-Service Claims only)

If a Covered Person or Personal Representative attempts to, but does not properly follow the Plan's procedures for requesting prior authorization, the Plan will notify the person to explain proper procedures within five calendar days following receipt of a Pre-Service claim request. The notice will usually be oral, unless written notice is requested by the Covered Person or Personal Representative.

HOW HEALTH BENEFITS ARE CALCULATED

When UMR receives a claim for services that have been provided to a Covered Person, it will determine if the service is a covered benefit under this group health Plan. If it is not a covered benefit, the claim will be denied and the Covered Person will be responsible for paying the provider for these costs. If it is a covered benefit, UMR will establish the allowable payment amount for that service, in accordance with the provisions of this SPD.

Claims for covered benefits are paid according to the billed charges, a Negotiated Rate, or the Protection from Balance Billing allowed amount, or based on the Usual and Customary amounts, minus any Deductible, Plan Participation rate, Co-pay, or penalties that the Covered Person is responsible for paying.

Fee Schedule: Generally, providers are paid the lesser of the billed amount or the maximum fee schedule for the particular covered service, minus any Deductible, Plan Participation rate, Co-pay or penalties that the Covered Person is responsible for paying. Where a network contract is in place, the network contract determines the Plan's allowable charge used in the calculation of the payable benefit.

Negotiated Rate: On occasion, UMR will negotiate a payment rate with a provider for a particular covered service such as transplant services, Durable Medical Equipment, Extended Care Facility treatment or other services. The Negotiated Rate is what the Plan will pay to the provider, minus any Co-pay, Deductible, Plan Participation rate or penalties that the Covered Person is responsible for paying. Where a network contract is in place, the network contract determines the Plan's Negotiated Rate.

Usual and Customary (U&C) - reimbursement for Covered Expenses received from providers, including Physicians or health care facilities, who are not part of Your network are determined based on one of the following:

- Fee(s) that are negotiated with the Physician or facility; or
- The amount that is usually charged by health care providers in the same geographical area (or greater area, if necessary) for the same services, treatment, or materials; or
- 140 percent of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for the same or similar service within the geographic market.
 - A gap methodology may be utilized when CMS does not have rates published for certain procedural codes; or
 - 50 percent of the provider's billed charges when unable to obtain a rate published by CMS and/or gap methodology does not apply.

When covered health services are received from a non-network provider as a result of an Emergency or as arranged by Your Plan Administrator, eligible expenses are amounts negotiated by Your claims administrator or amounts permitted by law. Refer to the Protection from Balance Billing section of this SPD for more information. Please contact Your Plan Administrator if You are billed for amounts in excess of Your applicable Plan Participation, Co-pays, or Deductibles. The Plan will not pay excessive charges or amounts You are not legally obligated to pay.

NOTIFICATION OF BENEFIT DETERMINATION

If a claim is submitted by a Covered Person or a provider on behalf of a Covered Person and the Plan does not completely cover the charges, the Covered Person will receive an Explanation of Benefits (EOB) form that will explain how much the Plan paid toward the claim, and how much of the claim is the Covered Person's responsibility due to cost-sharing obligations, non-covered benefits, penalties or other Plan provisions. Please check the information on each EOB form to make sure the services charged were actually received from the provider and that the information appears correct. For any questions or concerns about the EOB form, call the Plan at the number listed on the EOB or on the back of the group health identification card. The provider will receive a similar form on each claim that is submitted.

TIMELINES FOR INITIAL BENEFIT DETERMINATION

UMR will process claims within the following timelines, although the Covered Person may voluntarily extend these timelines:

- **Pre-Service Claim:** A decision will be made within 15 calendar days following receipt of a claim request, but the Plan can have an extra 15-day extension, when necessary for reasons beyond the control of the Plan, if written notice is given to the Covered Person within the original 15-day period.
- **Post-Service Claims:** Claims will be processed within 30 calendar days, but the Plan can have an additional 15-day extension, when necessary for reasons beyond the control of the Plan, if written notice is provided to the Covered Person within the original 30-day period.
- **Concurrent Care Claims:** If the Plan is reducing or terminating benefits before the end of the previously approved course of treatment, the Plan will notify the Covered Person prior to the coverage for the treatment ending or being reduced.
- **Emergency and/or Urgent Care Claim:** The Plan will notify a Covered Person or provider of a benefit determination (whether adverse or not) with respect to a claim involving Emergency or Urgent Care as soon as possible, taking into account the Medical Necessity, but not later than 72 hours after the receipt of the claim by the Plan.

A claim is considered to be filed when the claim for benefits has been submitted to UMR for formal consideration under the terms of this Plan.

CIRCUMSTANCES CAUSING LOSS OR DENIAL OF PLAN BENEFITS

Claims can be denied for any of the following reasons:

- Termination of Your employment.
- Covered Person is no longer eligible for coverage under the health Plan.
- Charges Incurred prior to the Covered Person's Effective Date or following termination of coverage.
- Covered Person reached the Maximum Benefit under this Plan.

- Employee or Dependent is responsible for charges due to Deductible, Plan Participation obligations or penalties.

Effective: 01-01-2022

- Application of the Protection from Balance Billing allowed amount, the Usual and Customary fee limits, fee schedule or Negotiated Rates.
- Incomplete or inaccurate claim submission.
- Application of utilization review.
- Experimental or Investigational procedure.
- Other reasons as stated elsewhere in this SPD.

ADVERSE BENEFIT DETERMINATION (DENIED CLAIMS)

Adverse Benefit Determination means a denial, reduction, or termination of a benefit, or a failure to provide or make payment, in whole or in part, for a benefit. It also includes any such denial, reduction, termination, rescission of coverage (whether or not, in connection with the rescission, there is an adverse effect on any particular benefit at that time), or failure to provide or make payment that is based on a determination that the Covered Person is no longer eligible to participate in the Plan.

If a claim is being denied in whole or in part, and the Covered Person will owe any amount to the provider, the Covered Person will receive an initial claim denial notice, usually referred to as an Explanation of Benefits (EOB) form, within the timelines described above. The EOB form will:

- Explain the specific reasons for the denial.
- Provide a specific reference to pertinent Plan provisions on which the denial was based.
- Provide a description of any material or information that is necessary for the Covered Person to perfect the claim, along with an explanation of why such material or information is necessary, if applicable.
- Provide appropriate information as to the steps the Covered Person can take to submit the claim for appeal (review).
- If an internal rule or guideline was relied upon, or if the denial was based on Medical Necessity or Experimental treatment, the Plan will notify the Covered Person of that fact. The Covered Person has the right to request a copy of the rule/guideline or clinical criteria that was relied upon, and such information will be provided free of charge.

APPEALS PROCEDURE FOR ADVERSE BENEFIT DETERMINATIONS

If a Covered Person disagrees with the denial of a claim or a rescission of coverage determination, the Covered Person or his or her Personal Representative may request that the Plan review its initial determination by submitting a written request to the Plan as described below. An appeal filed by a provider on the Covered Person's behalf is not considered an appeal under the Plan unless the provider is a Personal Representative.

First Level of Appeal: This is a **mandatory** appeal level. The Covered Person must exhaust the following internal procedures before any outside action is taken.

- The Covered Person must file the appeal within 180 days of the date he or she received the EOB form from the Plan showing that the claim was denied. The Plan will assume the Covered Person received the EOB form seven days after the Plan mailed the EOB form.
- Covered Persons or their Personal Representative will be allowed reasonable access to review or copy pertinent documents, at no charge.
- Covered Persons may submit written comments, documents, records and other information relating to the claim to explain why they believe the denial should be overturned. This information should be submitted at the same time the written request for a review is submitted.
- Covered Persons have the right to submit evidence that their claim is due to the existence of a physical or mental medical condition or domestic violence, under applicable federal nondiscrimination rules.

- The review will take into account all comments, documents, records and other information submitted that relates to the claim. This would include comments, documents, records and other information that either were not submitted previously or were not considered in the initial benefit decision. The review will be conducted by individuals who were not involved in the original denial decision and are not under the supervision of the person who originally denied the claim.
- If the benefit denial was based in whole or in part on a medical judgment, the Plan will consult with a health care professional with training and experience in the relevant medical field. This health care professional may not have been involved in the original denial decision, nor be supervised by the health care professional who was involved. If the Plan has obtained medical or vocational experts in connection with the claim, they will be identified upon the Covered Person's request, regardless of whether the Plan relies on their advice in making any benefit determinations.
- After Your claim has been reviewed, You will receive written notification letting You know if the claim is being approved or denied. In the event of new or additional evidence, or any new rationale relied upon during the appeal process in connection with a claim that is being appealed, the Plan will automatically provide the relevant information to You. The notification will provide You with the information outlined under the "Adverse Benefit Determination" section above.

Second Level of Appeal: This is a **voluntary** appeal level. The Covered Person is not required to follow this internal procedure before taking outside legal action.

- Covered Persons who are not satisfied with the decision following the first appeal have the right to appeal the denial a second time.
- The Covered Person or his or her Personal Representative must submit a written request for a second review within 60 calendar days following the date he or she received the Plan's decision regarding the first appeal. The Plan will assume that the Covered Person received the determination letter regarding the first appeal seven days after the Plan sent the determination letter.
- Covered Persons may submit written comments, documents, records and other pertinent information to explain why they believe the denial should be overturned. This information should be submitted at the same time the written request for a second review is submitted.
- Covered Persons have the right to submit evidence that their claim is due to the existence of a physical or mental medical condition or domestic violence, under applicable federal nondiscrimination rules.
- The second review will take into account all comments, documents, records and other information submitted that relates to the claim that either were not submitted previously or were not considered in the initial benefit decision. The review will be conducted by individuals who were not involved in the original denial decision or the first appeal, and are not under the supervision of those individuals.
- If the benefit denial was based in whole or in part on a medical judgment, the Plan will consult with a health care professional with training and experience in the relevant medical field. This health care professional may not have been involved in the original denial decision or first appeal, nor be supervised by the health care professional who was involved. If the Plan has obtained medical or vocational experts in connection with the claim, they will be identified upon the Covered Person's request, regardless of whether the Plan relies on their advice in making any benefit determinations.
- After Your claim has been reviewed, You will receive written notification letting You know if the claim is being approved or denied. In the event of new or additional evidence, or any new rationale relied upon during the appeal process in connection with a claim that is being appealed, the Plan will automatically provide the relevant information to You. The notification will provide You with the information outlined under the "Adverse Benefit Determination" section above.

Regarding the above voluntary appeal level, the Plan agrees that any statutory limitations that are applicable to pursuing the claim in court will be put on hold during the period of this voluntary appeal process. The voluntary appeal process is available only after the Covered Person has followed the mandatory appeal level as required above. This Plan also agrees that it will not charge the Covered Person a fee for going through the voluntary appeal process, and it will not assert a failure to exhaust administrative remedies if a Covered Person elects to pursue a claim in court before following this voluntary appeal process. A Covered Person's decision about whether to submit a benefit dispute through this voluntary appeal level will have no effect on their rights to any other benefits under the Plan. For any questions regarding the voluntary level of appeal including applicable rules, a Covered Person's right to representation (Personal Representative) or other details, please contact the Plan.

If, after exhausting Your internal appeals, You are not satisfied with the final determination, You may choose to participate in the external review program. This program only applies if the adverse benefit determination involves:

- Clinical reasons;
- The exclusions for Experimental or Investigational Services or Unproven Services;
- Determinations related to Your entitlement to a reasonable alternative standard for a reward under a wellness program;
- Determinations related to whether the Plan has complied with non-quantitative treatment limitation provisions of Code 9812 or 54.9812 (Parity in Mental Health and Substance Use Disorder Benefits);

Effective: 01-01-2022

 - Whether a claim is for Emergency treatment that involves medical judgment or consideration of compliance with the cost-sharing and surprise billing protections;
 - Whether a claim for items and services was furnished by a non-network provider at a network facility;
 - Whether an individual gave informed consent to waive the protections under the No Surprises Act;
 - Whether a claim for items and services is coded correctly and is consistent with the treatment actually received;

- As otherwise required by applicable law.

This external review program offers an independent review process to review the denial of a requested service or procedure (other than a pre-determination of benefits) or the denial of payment for a service or procedure. The process is available at no charge to You after exhausting the appeals process identified above and You receive a decision that is unfavorable, or if UMR or Your employer fail to respond to Your appeal within the time lines stated above.

You may request an independent review of the adverse benefit determination. Neither You nor UMR or Your employer will have an opportunity to meet with the reviewer or otherwise participate in the reviewer's decision. If You wish to pursue an external review, please send a written request to the following address:

UMR
EXTERNAL REVIEW
APPEAL UNIT
PO BOX 8048
WAUSAU WI 54402-8048

Your written request should include: (1) Your specific request for an external review; (2) the Employee's name, address, and member ID number; (3) Your designated representative's name and address, when applicable; (4) the service that was denied; and (5) any new, relevant information that was not provided during the internal appeal. The independent review will be performed by an independent Physician, or by a Physician who is qualified to decide whether the requested service or procedure is a qualified expense under the Plan. The Independent Review Organization (IRO) has been contracted by UMR and has no material affiliation or interest with UMR or Your employer. UMR will choose the IRO based on a rotating list of approved IROs.

In certain cases, the independent review may be performed by a panel of Physicians, as deemed appropriate by the IRO.

Within applicable timeframes of UMR's receipt of a request for independent review, the request will be forwarded to the IRO, together with:

- All relevant medical records;
- All other documents relied upon by UMR and/or Your employer in making a decision on the case; and

If there is any information or evidence You or Your Physician wish to submit in support of the request that was not previously provided, You may include this information with the request for an independent review, and UMR will include it with the documents forwarded to the IRO. A decision will be made within applicable timeframes. If the reviewer needs additional information to make a decision, this time period may be extended. The independent review process will be expedited if You meet the criteria for an expedited external review as defined by applicable law.

The reviewer's decision will be in writing and will include the clinical basis for the determination. The IRO will provide You and UMR and/or Your employer with the reviewer's decision, a description of the qualifications of the reviewer and any other information deemed appropriate by the organization and/or as required by applicable law.

If the final independent decision is to approve payment or referral, the Plan will accept the decision and provide benefits for such service or procedure in accordance with the terms and conditions of the Plan. If the final independent review decision is that payment or referral will not be made, the Plan will not be obligated to provide benefits for the service or procedure.

You may contact the Claims Administrator at the toll-free number on Your ID card for more information regarding Your external appeal rights and the independent review process.

FRAUD

Fraud is a crime that can be prosecuted. Any Covered Person who willfully and knowingly engages in an activity intended to defraud the Plan is guilty of fraud. The Plan will utilize all means necessary to support fraud detection and investigation. It is a crime for a Covered Person to file a claim containing any false, incomplete or misleading information with intent to injure, defraud or deceive the Plan. In addition, it is a fraudulent act when a Covered Person willfully and knowingly fails to notify the Plan regarding an event that affects eligibility for a Covered Person. Notification requirements are outlined in this SPD and other Plan materials. Please read them carefully and refer to all Plan materials that You receive (i.e., COBRA notices). A few examples of events that require Plan notification would be divorce, Dependent aging out of the Plan, and enrollment in other group health coverage while on COBRA (please note that the examples listed are not all inclusive).

These actions will result in denial of the Covered Person's claim or termination from the Plan, and are subject to prosecution and punishment to the full extent under state and/or federal law.

Covered Persons must:

- File accurate claims. If someone else - such as Your spouse or another family member - files claims on the Covered Person's behalf, the Covered Person should review the form before signing it;
- Review the Explanation of Benefits (EOB) form. Make certain that benefits have been paid correctly based on your knowledge of the expenses Incurred and the services rendered;
- Never allow another person to seek medical treatment under your identity. If your Plan identification card is lost, report the loss to the Plan immediately; and
- Provide complete and accurate information on claim forms and any other forms. Answer all questions to the best of your knowledge.
- Notify the Plan when an event occurs that affects a Covered Person's eligibility.

To maintain the integrity of this Plan, Covered Persons are encouraged to notify the Plan whenever a provider:

- Bills for services or treatment that have never been received; or
- Asks a Covered Person to sign a blank claim form; or
- Asks a Covered Person to undergo tests that the Covered Person feels are not needed.

Covered Persons concerned about any of the charges that appear on a bill or EOB form, or who know of or suspect any illegal activity, should call the toll-free hotline 1-800-356-5803. All calls are strictly confidential.
