

**ADDENDUM THREE
ON-CALL WATERSHED MODELING & FLOODPLAIN ANALYSIS PROJECT
CONTRACT NO. S-20-004
CITY OF CHATTANOOGA, TENNESSEE**

The following changes shall be made to the Contract Documents, Specifications, and Drawings:

Q&A

Q? In preparation of the proposal we have the following question for clarification:

1. It appears that the intended reference link may be broken in section 3.3 B.3 page 15. Is there an updated file link or reference file for the other requirements as stated in the RFQ section below?

B.3. Interested firms must demonstrate experience in the use of survey techniques and equipment, stormwater modeling/routing software, Federal/State and Local guidelines for conducting analysis and other requirements for the Error! Reference source not found.. Familiarity with TDEC compliance assistance and liaison consulting services is required.

- A. 3 should read like this: Interested firms must demonstrate experience in the use of survey techniques and equipment, stormwater modeling/routing software, Federal/State and Local guidelines for conducting analysis and other requirements. Familiarity with TDEC compliance assistance and liaison consulting services is required.

Q? With the extension of the deadline for the SOQs, has the deadline for submitting questions been extended?

- A. As the deadline for SOQ submittal has been extended, the deadline for questions has also been extended accordingly to May 14, 2020, Thursday.

April 7, 2020
