### **ADDENDUM I**

#### **STEEL BUILDING REPAIRS**

**Proposal No: 1516-04-26-02**

---

**April 19, 2016**

---

**Notice: The City of Spartanburg is issuing the following addendum:**

The base bid will include the three coil door and three 3 foot walk in door and steel repairs to the south end of the building. Base bid will also include the soffit repairs on the North end of the building. This addendum include two add alternates.

Add Alternate # 1 shall be the installation of the north end of the building with same steel material as shown on the pictorial drawings that accompany this addendum. Owner will decide between brick veneer or steel panels based on budget.

Add Alternate # 2 shall be the removal of existing wall panel and installation of vinyl backed insulation (industry standard) and reinstall existing wall panels.

Documents:

Attachment 1: Pictures of the existing structure designed and material from Varco-Pruden. Pictures 0923, 0924, 0929, 0931, 0932, 0935, 0936.

Attachment 2: Specifications for Overhead coil doors. Section 08360 Coil Doors

Attachment 3: Revised Proposal Form
