RE: **INTENT TO AWARD**

Dear Mr. Gaddy:

Based on the analysis of the submittals received on, January 11, 2019, it has been determined that your company will be recommended for award after the enclosed contract documents for PD 18-19.002, Southwest Greenway 1st Extension Project, are properly executed by your firm and returned to the Office of Purchasing within ten (10) days of the above date.

Any resulting Agreement shall become binding upon both parties only after award by the Escambia County Board of County Commissioners, the satisfaction of any post-award compliance requirements such as suitable insurance and bonding, and execution of the contract by the appropriate County personnel.

Failure to return the properly executed contract documents within this 10-day period or any request to alter or amend the contract documents may be deemed non-responsive; and, the intent to award could be made to the next most responsive and responsible offeror.

Your expeditious attention to this matter is greatly appreciated. Please feel free to contact me directly if you have any questions or if you need assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Roggenbuck".
