This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original RFQ documents are also available online at: www.gtcounty.org, select “Bid Opportunities” from the Quick Links section and “View Current Bid Solicitations.”

Question #1: Would you be interested in a quote for LEED Certifying this project?

Response: This is not for one particular project. This is for an Indefinite Delivery, Indefinite Quantity (IDIQ) task order contract. Georgetown County currently does not have any sustainability/green preferences. However, should you have members of your team that are LEED certified, that should be included in your RFQ submittal.
