

## **Bid #2041 – Air Filters**

### **Questions & Answers**

1. Could you provide the preferred MERV rating for the pleated and Poly filters.

Answer: Poly filters - MERV 6

Pleated filters - MERV 8

Also, please note that the poly filters are pinch frames and heat sealed.

2. Please confirm the MERV rating/efficiency % of the metal bag filter (24x24x36).

Answer: MERV 14

3. I was wondering if you could provide additional information on the metal frame bag filter (Hi Flo 24x24x36) listed on the air filter list. Could you provide the number of pockets and the efficiency of the bag?

Answer: Please see the answer to question #2.
