## **ADDENDUM #1**

### **ITB 17-PW11**

This Addendum forms a part of the contract documents and **modifies** the original ITB documents as noted below:

The project specifications and scope of work will include Alternate 1. Alternate 1 is to extend the construction of sidewalk, curb and gutter, and drainage structures associated with providing a new sidewalk along the south side of Mayfield Road from Bascomb Farm Road to Freemanville Road in the City of Milton.

The contractor shall comply with the plans and specifications for the "MAYFIELD ROAD SIDEWALK IMPROVEMENTS" as prepared by City of Alpharetta (Design Engineer), dated 01/08/2016. The plans for Alternate #1 may be downloaded at: <http://miltonintersectionprojects.com/wp-content/uploads/2017/08/BascombtoFreemanville.pdf>

Bidding Instructions (Item #8 – Bid Submittal Form) is now an additional three (3) pages (pages 3-5 of Addendum #1) to be returned with bid submission.

	<b>GRAND TOTAL</b>				

These unit prices are the bases of the Contractors Lump-Sum Bid, and are to be used for work that will be **added to or deleted** from the contract by change order, change directive, or other written agreement in the event that the scope of the project is changed. A reduction in the scope of the project will result in a deduction of the lump sum price and an increase in the scope of the project will result in an increase of the lump sum price based on the following unit prices provided. Unit prices are complete for labor, equipment, material, the hauling in of needed material and the hauling off and disposal of excess and unsuitable material, installation, applicable taxes, overhead and profit, and all other incidental costs.

**[BIDDERS MUST RETURN THIS FORM WITH BID RESPONSE]**

**BID SUBMITTAL FORM – ALTERNATE #1**

The undersigned, as bidder, declares and represents that it has examined the site of the work and informed himself/herself fully in regard to all conditions pertaining to the place where the work is to be performed, including those conditions affecting the cost of the work and the delivery, handling and storage of materials and equipment. The bidder has examined and read the Bidding Document and has satisfied himself/herself that the Bidding Document is an adequate and acceptable reflection of the work which is required to be performed and that the bidder is willing and able to perform all of the work necessary. The bidder further certifies that no additional information is required to complete the work encompassed by this bid within the cost and schedule established and agreed upon within this bidding document.

Hereby proposes and agrees, if this bid for the above named project is accepted to enter into a contract to perform all work necessary to the successful completion of the contract; and to supply all required submittals as indicated or specified in the ITB and the bid documents to be performed or furnished by bidder for the for the total contract price of:

<b>Mayfield Road Sidewalk Improvements – Alternate #1</b>
\$
<i>(Total Alternate #1 {Lump Sum}) ~ Should Match Alternate #1 Total Price on Schedule of Items. Unit prices will be used for work that will be added or deleted from the contract by change order in the event that the scope of project is changed.</i>
