ADDENDUM #2 TO RFQu #20-046

RFQu NUMBER: 20-046

ISSUE DATE: Wednesday, August 26, 2020

OPENING DATE: Wednesday, September 2, 2020

OPENING TIME: 3:00 PM (ET)

Pre-Bid Conference/Site Inspection: [none]

PROCUREMENT FOR: Marine Engineer Consultant Services, IDIQ

This addendum will amend **RFQu #20-046, Marine Engineer Consultant Services, IDIQ** originally issued on Wednesday, August 12, 2020. This clarification is being provided to all known and registered correspondents in response to questions received. All addenda and original RFQu documents are also available online at: www.gtcounty.org, select "Bid Opportunities" from the Quick Links section and "View Current Bid Solicitations."

Question 1: Under Task Order #1 a model developed during phase I is mentioned. What software was used to create this model?

Response: See the link below for a copy of the phase I final report. Please note, that while the engineers of phase I may have referenced themselves for the phase II work in the below report, Georgetown County and the Evaluation Committee for this RFQu will be not be predisposed to any particular firm.

Question 2: Is there a map or survey highlighting precisely the area of the Georgetown Inner Harbor that can be shared with me?

Response: See Question 1 response.

Question 3: Are there any other documents regarding the inner harbor that can be shared with me such as report, report findings, survey data, model files etc.?

Response: See Question 1 response.

Question 4: Has a current vs. desired topography been determined for dredging? What are approximate current depths and areas and what depths are desired for those areas?

Response: See Question 1 response.

Question 5: What is the County's definition of a "marine engineer?"

Response: See the scope of work as your guidance for what services the County is seeking under this contract.

Question 6: Page 7 says "Other Marine related services (Task #5 above)" and page 8 says "General Permitting (Task #5)." Where can we find the description of Task #5?

Response: Please ignore any reference to Task #5. These were general scope of work items that were added to the scope of services section instead.
