1. Questions and Answers:

Q1: The drawings on the City web site are not to scale. Please post the full size conformed drawings that are to proper scale.

A1: We'll get the CADD drawings and can print out full size plans. Whenever they are converted from AutoCAD to PDF they cannot be counted on to be exactly to scale. But we can print from the CAD file to scale. So find out from the bidders how many want the full size to scale plans. There will be a \$75 charge for anyone who wants a full scale copy of the drawings. The contact 386.671.8080 at least 24 hours ahead of time so that plans can be printed and ready for pickup.

2. All other terms and conditions remain the same.

Proposers will acknowledge receipt of this addendum where indicated on BID PROPOSAL FORM.
