ADDENDUM NO. 4

This addendum is in response to questions received regarding the project.

1. There are no Bid Line items for Construction Surveying Layout / As-Builts or Material /Compaction Testing for the Vineyard Village project. Please advise.

Response: This is a lump sum contract so it will not be paid on a line-item basis. Typically, the cost for surveys is included in the Mobilization line item.

Passing test results will be needed for each item as required by Article 14 of the General Conditions and the project specifications referenced in the plans (Crestview and/or FDOT as applicable). The cost of these tests shall be covered by the lump sum contract price.
