Addendum

SOLICITATION NAME	Electronic Document Management System Q1617	ADDENDUM NUMBER	4	DATE	01-06-16
--------------------------	---	------------------------	---	-------------	----------

KCDC is using this addendum to answer the questions raised about this solicitation. To aid in readability, the questions are in black, the answers are in **bold**, and the answers follow immediately below.

1.	KCDC indicates 10,000,000 items to transmit from the current software to the new software. The more items-the more cost. Can KCDC determine exactly how many items will be migrated?
	KCDC cannot quickly determine exactly how many items will be migrated. Proposers must quote the estimated 10,000,000 items to be migrated. However because the actual migration may entail fewer documents, proposers may add additional incremental levels (by the million) and their cost to the proposal.
