SUBJECT: Addendum No. 2 – Grainger Avenue Bridge Replacement Project  
BIDS TO BE OPENED: August 2, 2017, at 11:00 a.m. (Eastern Time)

This addendum is being published to respond to questions asked by potential bidders regarding the Grainger Avenue Bridge Replacement Project Invitation to Bid. This addendum becomes a part of the Contract Document and modifies the original specifications as noted below.

**QUESTION:** Can I team up with a certified bridge builder and bid on the bridge? His company has all the needed bridge certification. This would be a joint venture.

Response: “Yes,” as long as the prime contractor will be doing at least 50% of the work on the project and has the proper licensing classification(s) as specified in the Invitation to Bid.
