**ADDENDUM #1**  
**RFP 18-PW01**

This Addendum forms a part of the contract documents and **modifies** the original RFP documents as noted below:

1. Whether companies from Outside USA can apply for this?  
(like, from India or Canada). *Part of the evaluation process is 6.0 Qualifications of the team, state proximity and availability of key personnel.*
2. Whether we need to come over there for meetings? Yes.
3. Can we perform the tasks (related to RFP) outside USA?  
(like, from India or Canada) Yes.
4. Can we submit the proposals via email? No.
5. In section 1.4 A. 5. a. the following statement is made: No more than ten (10) single sided pages (six pages if double sided). Is it 10 single sided pages (five pages if double sided) or 12 pages single sided pages (6 pages if double sided)? *12 single sided pages (6 pages if double sided)*
6. In section 3.2 1. 4., the ASTM-D6433-11 or equivalent methodology is mentioned. Is the Federal Highway Administration's (FHWA) Long-Term Pavement Performance (LTPP) rating methodology considered an equivalent methodology by the City? *Yes LTPP is acceptable.*
7. If an equivalent methodology is acceptable, will the City issue an alternate bid tab for rating the entire roadway network in year one? Performing an analysis with condition data from two methodologies would be cost prohibitive. Yes

The City would like the original payment summary filled out as well as the new summary in the addendum changing the evaluations totals and times. If the changing of the methodology makes it impossible to fill out the original payment summary then only filling in the second is acceptable.

**\*Please return the table below with proposal:**
