## RFB 19-013: Constable Vehicles ADDENDUM 1

January 3, 2019

**Please include this signed addendum with your Response. The signature line is on page 2.**

Below are the responses to the Requests for Information. Please incorporate any clarifications into your proposal response and pricing.

Question # 1: "Are these 2WD or 4WD models?"

Response: Two wheel drive (2WD) will meet the specification.

Question # 2: "Wheel base is referred to as full size. Do you mean standard (145") wheelbase or long (157") wheelbase?"

Response: Standard wheelbase between 138 and 150 inches

Question # 3: "Both bids call for 'tinted windshield', is that correct or do you mean eyebrow tint at the top?"

Response: Eyebrow tint at the top of the windshield

Question # 4: "Where it calls for a 'bumper grill guard', is this a full replacement bumper or just something like a Ranch Hand grill guard?"

Response: A mounted after-market grille guard will meet the specification. A full replacement bumper is not required.

Please direct any questions or request for clarifications in writing to:

Darin Schell
