 <p>CLAYTON COUNTY Water AUTHORITY</p> <p>1600 Battle Creek Road, Morrow, GA 30260</p>	Semi-Annual Generator Preventive Maintenance Services	
	ADDENDUM # 3	
	DATE	January 17, 2020
	BID NUMBER	2020-GS-02
BID OPENING DATE	Tuesday, February 4, 2020 at 2:00 p.m. local time	
ADDENDUM MUST BE SIGNED AND INCLUDED IN YOUR RESPONSE TO THE RFB.		

QUESTIONS:

- 1. Can you please provide the last date of oil and coolant change for each generator or the last oil and coolant sample reports?**

Answer:

Please see attachment “2019 Generator PM”, for last PM date.

- 2. May I get a list of the attendees to the Pre-Bid Meeting that took place on 01/07/20?**

Answer:

The pre-bid meeting sign-in-sheets are provided on pages 3 and 4 of this Addendum.

- 3. Please provide full address information for sites, including City location.**

Answer:

Please see attachment “2019 Generator PM”, for addresses.

- 4. Air Filters:**

Per the SOW, it requires for air filters to be replaced annually by the contractor. Industry standard is that this is not necessary. For cost savings to the customer, recommendations are for the contractor to check the air filters semi-annually and then replace as needed as a cost outside the contract.

Answer:

Contract pricing must include annual replacements of air filters on all generators and is not a separate service.

- 5. Oil and Filter Change:**

The bid form is asking for pricing for “Oil and Filter Change Cost” for each generator. Please confirm that if oil and filter change services are needed, they will be under a separate PO, outside the contract pricing.

Answer:

Contract pricing must include changing oil and air, fuel, and oil filters on all generators and is not a separate service.
