

## ADDENDUM NUMBER TWO

### MOCASN BEND WWTP DIGESTER NO. 1 CLEANING AND REHABILITATION W-16-024-201

#### CITY OF CHATTANOOGA, TENNESSEE

#### Questions:

I. Question #1

Will contractors be allowed to visit the site to probe the Digester?

Answer:

Contractors will be allowed to visit the site to familiarize themselves with the site and the subject project facilities, pending proper coordination. Testing and sampling of sludge from the Digester or other facilities will not be allowed while it is in operation and could create knowledge that is not shared to other bidders. Specification Section 46 73 71 contains the physical dimensions for the Digester and estimates for the amount of sludge to be removed.

#### Clarifications:

I. General Conditions, Article 6.02

- Paragraph C. States in part: "Regular working hours may be Monday through Friday, excluding holidays, occurring between the hours of 7:00 AM and 6:00 PM, unless restricted otherwise."
- These hours are the regular operating hours of the WWTP. The contractor is expected establish and adhere to a regular work schedule that coincides with these operations hours.
- Paragraph C also states: "Approval for specific work outside regular scheduled work times shall be requested no less than 48 hours prior to the requested work period."
