**Addendum No. One**

**IFB 2022-04 Traffic Cabinet & Camera Replacement**

**Attention: Prospective Bidders**

Addendum No. One (1) is issued to provide changes and/or clarifications to questions asked on the above referenced bid.

**QUESTION:** Can we bid only on the camera system and not the cabinets?

**ANSWER:** No

**QUESTION:** Is there a way to electronically submit this bid or is a mailed bid the only accepted submission by the city?

**ANSWER:** At this time we do not accept bids in electronic form, only mailed copies will be accepted

**QUESTION:** Lead times stated in the bid documents are requiring 30-45 days ARO. With current supply chain issues can this be extended and accepted by the city?

**ANSWER:** With the supply chain issues there is not much we can do but to extend as long as we don't get put on hold when material does come in.

**QUESTION:** Along with question 2. with current supply chain issues causing lead times to extend, would the city accept partial shipments on equipment?

**ANSWER:** We would accept partial shipments but would pay once everything is in and finished.

All other provisions of the Contract Documents shall remain unchanged. This addendum is hereby made part of the Contract Documents. Each bidder shall acknowledge receipt of this Addendum Number One (1) using this acknowledgement page and submit with the Bid proposal.
