ADDENDUM #1 – Munson Hwy L/S Pumps RFP

QUESTION 1: Are there any specs available? I see your seeking two of them but does not specify what horsepower and what accessories. Any info would be helpful, thank you.

ANSWER 1: The horsepower is provided under Part 1 – General System Description, Performance Requirements of the Technical Description/Specifications.

Accessories are described under Part 2 – Products, Accessories and Special Accessories

Special Accessories are described on Page 8
