

INVITATION FOR BIDS

Biosolid Roll-Off Services

PW 23-010

Addendum No. 1

Date: Tuesday, 18 October, 2022

From: Jill Lin, Procurement Officer

Subject: Addendum No. 1 to Solicitation PW 23-010.

Bid Deadline: October 19, 2022 5:00 PM (local time, Phoenix, Arizona)

PURPOSE

This Addendum forms a part of the Contract and clarifies, corrects, or modifies the original Invitation for Bids document prepared by the City of Avondale. Acknowledge receipt of this Addendum in the space provided on the attached "Acknowledgment of Addenda Received" form; this acknowledgement must accompany the submitted bid. Failure to do so may subject the bidder to disqualification.

This Addendum No. 1 consists of Questions and Answers.

Question 1. Can the bins be 16 feet long still capable of a minimum 10 ton capacity?

Answer: Please provide the complete manufacturer's specifications to the bin in question. We need to understand the length, width and side wall height to have a chance at making this determination.

Question 2. Just following up on my previous question "Can the bins be 16 feet long still capable of a minimum 10 ton capacity?" The bins we would be using are 16 feet long, 5 feet tall and 8 feet wide.

Answer: After evaluating the position of the three outlets on the conveyors at the Solids Handling Facility, the City has determined that a roll-off bin 16 FT in length will not be acceptable. The three outlets are 8 ft apart. Therefore, to avoid any spillages, a bin that is 16 ft would have to be repositioned each time to fill the mound from end outlets. The extra work to reposition the bin will not be efficient for the operation.

CITY OF AVONDALE
ACKNOWLEDGMENT OF ADDENDA RECEIVED
INVITATION FOR BIDS
