

ADDENDUM NO. I

DATE: July 26, 2017

TO: All Bidders

FROM: Janice McClelland, Assistant Purchasing Agent

SUBJECT: Addendum No. 1 – 2017 Citywide Traffic Signal Infrastructure Contract

BIDS TO BE OPENED: August 8, 2017, at 11:00:00 a.m.

This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

Item I. Revised Bid Proposal and Bid Schedule

Pages BD-6 and BD-6a have been revised to include an additional pay item (730.21 – Electrical Service Installation). **Bidders MUST use the Revised Bid Proposal immediately following this Addendum when turning in their bids.**

Item II. Additional Pay Item

The scope of work for 730.21 – Electrical Service Installation is as follows:

730.21 – Electrical Service Installation shall provide electrical service hookup, which includes a meter base, load center, conduits, and associated fitting and mounting hardware. The location and type of supply of the electrical service at the intersection will be at the discretion of the Engineer.

Note the following specifications for this pay item:

- Meter Center: Milbank Type 3R Meter Enclosure 100 AMP or any Type 3R NEMA equivalent meter base.
- Load Center: Square D Load Center QO 100 AMP 240V 1PH or 100 AMP NEMA equivalent load center.

Item III. Change in Language of Invitation to Bid

Bidders are to delete any and all language in the Invitation to Bid that states "cost of labor is to be included in the bid pricing for all pay items." Instead, Bidders are advised that cost of labor is to be included in the pay items entitled "Mobilization" and "Emergency Mobilization."

Item IV. Modification of Page SC-41

Scope of Work for Mobilization is hereby changed to read as follows:

Scope of Work for Mobilization and Emergency Mobilization is as follows:

1. This work shall consist of the mobilization of forces, supplies, equipment, and incidentals at the project site. **Mobilization also includes traffic control, with appropriate City of Knoxville permit.** Payment for Mobilization and Emergency Mobilization pay items will be to call out to the job site, as directed by Engineer.
2. Pay item 730.17 shall be a general mobilization and require that the work at the site shall be completed as directed by the Engineer.
3. Pay item 730.18 shall be an emergency mobilization and require that the work at the site be completed within 24 hours of the call out.

END OF ADDENDUM NO. I

REVISED BID PROPOSAL
CITY OF KNOXVILLE, TENNESSEE

**2017 Citywide Traffic Signal Infrastructure Contract
Project No. 17EH-SG-0004**

TO THE PURCHASING AGENT
CITY OF KNOXVILLE, TENNESSEE

_____ hereby propose(s) to furnish all material, labor, and appliances and do all work required to complete the Contract for the 2017 Citywide Traffic Signal Infrastructure Contract, Project No. 17EH-SG-0004, located in the City of Knoxville, Tennessee, in a workmanlike manner and in accordance with the plans of the Department of Engineering and specifications

Bidder further agrees that in case of failure to sign a delivered contract within thirty (30) days, the certified check or bid bond accompanying this bid and the proceeds thereof shall be the property of the City of Knoxville if the City chooses to retain said bid bond or check.

Bidders are advised that locations are to be determined by the City and the work will be completed according to the specifications and direction of the Engineer. The pay items and quantities listed on this sheet and BD-6a are estimates of work to be completed over the course of one year. The City does not guarantee, nor does it commit to the purchase of pay items.
