

ADDENDUM NO. 1

DATE: September 6, 2018
TO: All Potential Qualifiers 
FROM: Julie Smith Maxwell, Procurement Specialist
SUBJECT: Addendum No. 1 – RFQ- Market Square Garage Mural
QUALIFICATIONS DUE: September 21, 2018, at 11:00:00 a.m. Eastern Time

This addendum is being published to respond to questions asked by a potential qualifier and to make changes to the Contract Document regarding the above-referenced Request for Qualifications. This addendum becomes a part of the Contract Document and modifies the original specifications as noted.

Question 1: In the RFQ, it specifies acrylic paint or "comparable" materials. Although I have painted murals before, my expertise is in large-scale outdoor mosaic murals created from durable ceramic tiles. Would ceramic tiles (resulting in the creation of a mosaic mural) be an acceptable/comparable material for this mural project, or is this mural project limited exclusively to paint?

Response: The preferred medium is paint, however, the evaluation team will review and consider such alternatives as mosaic tile.

Changes:

1. The City hereby removes the section labeled "Wall Preparation." Artist(s) will not be responsible for pressure washing wall. The wall will be properly prepared prior to artist(s) beginning work.
2. The City hereby changes the amount of the honorarium to \$200 and shall provide such honorarium to each (and up to fifteen) finalists/teams.
