### **Questions and Answers**

1. Section 00456 - Qualifications Questionnaire, # 11 states "Attached to this questionnaire, a notarized financial statement and other information tat documents the firm's financial strength and history", which is in conflict with Section 00200 - Instructions to Bidders 3.01 which states "...within five days of OWNER's request Bidder shall submit written evidencesuch as financial data, previous experience, etc...", can you please advise if we are to submit the financial statement/data with the bid.  
**Bidders shall provide evidence in section 00456 to indicate financial strength and history. Requirements in Section 00200 are supplemental, in the event additional supporting documentation is necessary to determine responsibility after the bid opening.**
2. Is it possible to schedule a site visit?  
**Project manager will open the site at 10:00 a.m. Friday, June 28, 2024 to contractors and subcontractors.**
3. We would like to request an extension of the bid due date. There are challenges that we are now facing as it was extended into a holiday week and many of the subcontractor's will not be available during the week for questions, clarifications, and proper bid scoping.  
**Deadline for receipt of bids is extended to July 10, 2024 by 2 p.m.**
4. The 'Itemized Bid Schedule' that is included in Section 00310 – pages 00310-3, 00310-4, 00310-5 is an excessive breakdown. Is each item in these pages to be filled in? Suggest the civil pages be removed from bid form and a civil line item be added.  
**Please reference Paragraph 13.02, Section 00200, Instructions to Bidders. The items will not be consolidated into a lump sum for civil.**
