1. Page 3, 1.8 **Bonds** – please confirm a payment bond and performance bond will be required in the amount of 100% of first year annual price?
 - a. Yes.
 2. Please confirm the expectation of staffing on-site within the facility is only at 12 hours per day, 7 days per week. (Note, page 4, 2.0 **Scope of Work**, under staffing, the On-Call Staff for 84 hours per week – these are not on-site staff members).
 - a. Correct. Onsite staffing will be 12 hours per day 7 days a week. The On-Call Staff just needs to be a number where a nurse can be reached after hours.
 3. Page 5, 2.0 **Scope of Work**, please indicate the last on-site MAG audit completed, and the next scheduled MAG audit to be completed.
 - a. Last MAG audit was completed on 8/4//21, next will be due end of April this year.
 4. Page 10, 5.14 **Insurance**, the limits of insurance for General Liability are higher than standard limits, would the county consider alternative limits (stated is \$1m/\$6m)?
 - a. Yes.
 5. Page 10, 5.14 **Insurance**, please confirm any limits for Professional Insurance requirements (medical malpractice).
 - a. Professional liability or medical malpractice insurance policy, as the case may be, in an amount of at least one million dollars (\$1,000,000) coverage per occurrence and three million

dollars (\$3,000,000) aggregate.

6. Can the County provide any statistical information for fiscal year 2021 and year to date 2022 regarding the following:*

 - a. Number of inmates seen by month for intake screening;
 - b. Number of inmates seen by month for nursing sick call triage;
 - c. Number of inmates seen by month for Provider sick call;
 - d. Number of inmates on average by month that are on medications;
 - e. Number of inmates on average on suicide watch;
 - f. Number of inmates seen by month by Psychiatrist;

*This information is not available at this time.

7. Please state the times in which medications are usually passed within the facility, and the amount of time each medication pass takes (i.e. 1 hour, 2 hours, etc.).
 - a. Medication is passed out at 8am and 5pm they take approximately an hour depending on population. Also, blood sugar checks are done at 5:50am before 6am meal.
8. It is noted the Vendor will manage claims process and accounting for off-site healthcare services – is there a process in place now, and if so, is there a catastrophic limit or outside cost pool in place?
 - a. Yes, there is currently a process in place. The entire process is handled by our current health services provider.
9. The RFP states 1 original and 3 copies of the proposal. To clarify this means 1 original of Volume 1 and 2, plus 3 copies of Volumes 1 and 2?
 - a. Yes.
10. The RFP states that Volumes 1 and 2 are to be packaged and sealed separately. To clarify, proposers are to send 2 separate packages/boxes to the county?
 - a. Both volumes can be inside the same delivery box/package but must be packaged separately inside that delivery box/package. The volumes must be able to be opened completely separately.
