Questions/Clarifications and Answers:

The following question(s) (shown in italicized text) were submitted by prospective proposer(s). The City's responses are presented here (shown in bold text). The submitters' names and email addresses have been removed due to privacy requirements.

Question:

The specifications call for Armor Crack Repair(562 feet). In looking at the photo of the court, it is apparent that the footage includes the concrete expansion joints. If so, the Armor Crack Repair cannot be applied. Please clarify.

Yes, the footage includes the concrete expansion joints. Prospective vendors are welcome to offer an approved equal product or an alternative method if they feel the proposed solution is not adequate.
