

City of Chattanooga

Addendum #1

R141673 / B304404

Grounds Maintenance for Selected City Properties

(1) The following changes are hereby made to the specifications:

(A) It is anticipated that two cuttings will be required on each site annually. However, rain conditions may require three or four cuttings per year. Bids should state the price per cut.

(B) The sites have the following addresses and estimated acreage:

- (i) Old Harriet Tubman site: 1900 Sholar Avenue, 36 acres.
- (ii) Charles A Bell Grounds: 3501 Central Avenue, 8 acres.
- (iii) Alton Park Landfill: 900 East 38th Street, 56 acres.

(C) The acreages stated above are estimates. Bidders should verify the areas and site conditions prior to bidding.

(2) The Due Date for bids is unchanged. Sealed Bids should be delivered to the Purchasing Office before 2:00 PM on September 14, 2016.
