**BULLOCH COUNTY BOARD OF COMMISSIONERS  
115 NORTH MAIN STREET  
STATESBORO, GEORGIA 30458**

**INVITATION FOR BID  
STATESBORO-BULLOCH COUNTY AIRPORT NEW CORPORATE HANGAR**

The Bulloch County Board of Commissioners (herein after referred to as the “County”) is accepting **COMPETITIVE SEALED BIDS** for:

**Material or Service:** Complete construction of a new Corporate Hangar at the Statesboro-Bulloch County Airport located at 601 Airport Blvd., Statesboro, GA 30461.

**Addendum #2 replaces the information in the original bid.**

The following questions have been submitted for the Corporate Hangar Bid. Some of these questions have caused changes to some of the bid specifications.

**Question 1:** Is sand an acceptable granular fill material for under-slab?

**Answer:** Yes

**Question 2:** Conduit and fitting type to match existing hangar?

**Answer:** Conduit as specified on drawings

**Question 3:** All site and material testing responsibility of Bulloch County?

**Answer:** Yes

**Question 4:** Permits required?

**Answer:** A permit application and fee are not required of the contractor. Periodic progress inspections will be made by the County and Architect.

**Question 5:** Waterborne type paint acceptable for striping?

**Answer:** Yes

**Question 6:** Is roof screw down or concealed fastener standing seam, specs describe both?

**Answer:** The roof is concealed fastener. Section 133419, Part 3.2 B, delete reference to screws.

**Question 7:** Is IAS Certification required for PEMB manufacturers?

**Answer:** Yes, Section 133419, Part 1.6 E.

**This addendum must be signed and returned in the submitted bid package. Failure to return the signed addendum will result in the submitted bid not being considered for this project.**
