Subject: Bibb County Proposed New Elementary #4

Please find attached the Site Approval package for the New Elementary #4 School Site as part of the Bibb County School System. This facility is to be located at 3522 Greenbriar Road, Macon, Georgia.

System Code - 611

Site Code – 1489

Facility Code - 1311

It is very important that the Site Approval Comments, included in the approval package, be reviewed carefully and implemented at the facility in compliance with Georgia Department of Education Policy. Please share the Site Approval Comments with architects and engineers working on the project.

A copy of the warranty deed for this property has been received by the Facilities Unit of the Georgia Department of Education and a Facility Code has been issued.
