To: All Bidders

Re: **Addendum No. 1**

RFQ 2022-08 Professional Services for Development of a Drainage master Plan

Each bidder shall acknowledge receipt of this Addendum Number One (1) by including in Proposal packet. This addendum will not be counted as part of the maximum page limit.

Addendum Number 1 is issued to provide changes and/or clarifications to the above referenced RFQ as per the following:

Bid Date has changed. Bid Date now September 2nd 2022. Time and location remain the same.

Question: Is there any interest in using results of this study for follow up LOMRs?

Answer: Yes, there could be the opportunity for LOMR submittal, definitely for the Corps McKinley Channel that has just been completed

Question: Can the previous drainage studies for Dry Canyon and the Public Works Yard be provided?

Answer: The Drainage Plan files are very large. Available upon request. Send request to bpyeatt@ci.alamogrdo.nm.us.

- Dry Canyon Master Plan Update 2020-07-29
- Dry Canyon Master Plan 2009-04-21
- Public Works Yard Drainage Mgmt Plan 2013-05

Question: What methods and approaches have been used for recent hydraulic analysis in the area?

Answer: The city does not have the capacity to do in-house hydraulic analysis. We contract that work out. The methodology should be described in the reports provided.

Question: Does the City already have an inventory of its drainage facilities and can those be provided?

Answer: Drainage map is attached.

All other provisions of the Contract Documents shall remain unchanged. This addendum is hereby made part of the Contract Documents. Each bidder shall acknowledge receipt of this Addendum Number One (1) using the attached acknowledgement page and submit with each copy of the proposal (not included in page count).

Thank You,

Barbara Pyeatt
