NOTICE OF INTENT TO AWARD

Re: Pest Control Services ITB Req.# 35334

The Johnson County, TN Purchasing Agent solicited Invitations to Bid on Pest Control Services. The Purchasing Agent has carefully reviewed, evaluated and tabulated all Pest Control Services bid submission documents submitted by each interested vendor respectively. It is desired that the County receives these services with the best possible benefit, best value and outcome for Johnson County, TN Government, herein named as the County.

To obtain the best value for the County and following the tabulated prices, an intent to award a multi-year contract for Pest Control Services goes to **Chappell's Pest Control** for the proposed contractual services as described in the Invitation to Bid submission.

This letter is not to be used as an official purchase order, but only as public notice of an intention of award to be made at a later time. The County considers the final award as being a fully negotiated and a fully executed contract between the County and awarded vendor. At its next scheduled meeting, the Johnson County Budget Committee will hold discussion to approve or deny recommending entering into a multi-year contract with the intended award recipient. Subject to approval of the Johnson County Legislative Body. The County has the right to rescind this intent to award at any time, at the County's will and pleasure. Johnson County, TN Government would like to thank all involved vendors for their participation. Thank you for your time!
